MURRIETA, CA

APRIL 2022

## Getting reacquainted for the very first time

Spring Knolls volunteers for various groups greeted visitors to the March 12 Open House in Eaker Hall. The event included guided tours of the interior and exterior amenities by area coordinators as well as door prizes and a free BBQ lunch.

FROM SK'S PRESIDENT:

## Event opened doors to better relationships

On March 13, 2015, moments after pulling into the driveway of our new home, we were greeted by a beautiful Great White Egret. Just seconds before, the stately bird had landed silently across Via Escarlata only 15 feet or so from where we stood admiring it.

**Sandy Vollmer**  
SKA president

We swore he looked at us before sauntering slowly down the street and then just as silently taking off for parts unknown.

Bird lovers that we are, we were delighted. Obviously, to a couple of newcomers, the Egret was officially welcoming us to Spring Knolls.

Fast forward to March 12, 2022, one day shy of the 7<sup>th</sup> anniversary of our "Great Egret Encounter." While not egrets, or even birds for that matter, a flock of hosts was on hand just a few blocks from our driveway to welcome newcomers and all residents to Spring Knolls' first Clubhouse Open House.

If you missed it, you really missed it! Friends and neighbors had their first opportunity in a long time

## SKA President Open House set stage for new possibilities

From page 1

to get reacquainted after the pandemic hiatus. And newcomers could meet some of their neighbors, many of whom serve Spring Knolls as volunteers.

For example, at one booth, Boosters displayed pictures of past events, including some held during the pandemic. Some residents saw pictures of themselves they never knew had been taken.

Many Open House visitors also signed up for the singles group -- now called Best Years -- or for the weekly Bible study. Others became area coordinators, or joined the nominating committee and even indicated they might run for the Board in the next election.

Speaking of the board, most of the 2022 Directors were on hand to answer questions or hand out forms and governing documents.

The Open House also featured door prizes and an area coordinator team that gave tours of clubhouse amenities. Many long time residents even learned new things about the clubhouse, and enjoyed seeing changes made over the past couple of years.

Corn-hole was played on the back patio and many liked our donated patio furniture and conversation areas behind Eaker Hall.

Although officially a week before spring, the event was held under perfect skies and mild temperatures. And what more could you ask for than a free hotdog lunch with ice cream?

This wonderful event was the brainchild of Cindy Woody! She

put together a great team with co-chairs Holli and Alan Hanson, who helped make it run smoothly.

I hope you all will attend our next Open House and enjoy the fun!

Well, spring is definitely here. I saw our first California Hooded Oriole at the feeder a couple days ago. In addition to Orioles, a few other spring arrivals: bees, actually they've been here a few weeks; weeds, always a battle to keep them at bay; warm weather and street asphalt that gets dangerously hot for your fur babies. It's also hatching time for rattle snakes, so please keep a lookout.

A quick note about the bees. Despite removing nearby Rosemary bushes, the bees continue to visit us (they need water, too) and often end up floating on top of the swimming pools. So, before using them, please use the strainers along the edge to remove them, especially if you're a lap swimmer.

Speaking of pools, a big "thanks many times over" to Facilities Director **Ron Sieber** for all his efforts with maintenance people and his work to keep our pools and Jacuzzi up and running.

There've been very complex -- and expensive -- pool pump and related problems that have kept Ron busy. Speaking of which, the large pool's new heater will hopefully be installed in mid April. Spring Knolls is experiencing the same thing many others are these days with limited supply and items having to be shipped from far away. Hopefully the heater will be here soon.

We're all looking forward to a great summer! I hope you and yours are doing well!

And, finally, pardon my husband's pun after reading this: *Make sure your days are filled with ecrets!*

## Be careful! It's hatching time for our rattling friends

By Jan Towers

With April and longer days upon us, we're able to get outside and enjoy warmer weather.

Along with the warmer days, many critters are hatching out. Due to our community's location near the wilderness comes the possibility of seeing snakes on our properties.

There already have been sightings of rattlesnakes, so be aware of your surroundings, and let's all stay safe.

We have two neighbors in our area who will gladly come to your property, assess the situation and remove the unwanted visitors.

We called them a couple years ago to check out a snake in our yard. Thankfully, it turned out to be a non venomous Red Racer.

We were thrilled when it moved on and hasn't been seen since.

But, I am now more aware and keep my eyes peeled just in case. I now know it wasn't going to harm me, but I don't enjoy being startled by them just the same.

Below are the names of our "local snake wranglers" for your reference. They are happy to help.

Glenn (951) 642-2897 and Henry (951) 202-1130.

— Jan Towers is vice president of the Spring Knolls board of directors..

### NO FREE POOP BAGS AFTER

**APRIL 5:** In 2019, operating costs for the three Unit 1 doggie areas, which include two grassy areas at the clubhouse as well as the dog park were estimated to be **\$8,640** per year.

Since 2019 there have been substantial increases in the cost of water, sprinkler repairs and maintenance as well as crack sealing of the dog park pathway. The cost of waste bags that have been supplied has more than doubled, from **\$960** to more than **\$2,000** per year.

Although Unit 2 and Unit 3 residents also use our dog facilities, they do not contribute to these costs. Due to such substantial cost increases the waste bags will be discontinued as of **April 5, 2022**. The disposal containers, however, will remain for your convenience. Please pick up your dog's waste, as that is required by law where ever you walk your pet.

Unit 1 residents may buy rolls of 20 poop bags for 25 cents each at the Board office on Fridays during office hours 9:30 a.m. to noon. Poop bags are also widely available at area retail outlets. The board wishes to thank all

dog owners for their assistance and looks forward to providing the doggie areas, with your cooperation.

**NO SMOKING, DRINKING:** Also, the HOA board has placed signs at the dog park reminding visitors that smoking and/or drinking alcohol is not permitted at the park.

**COMMUNITY GARAGE SALE:** The annual tri-unit Community Garage Sale will be held **Saturday, April 23** in Spring Knolls, Warm Spring Knolls and Golf Knolls. Those wishing to sell items may do so on that day without obtaining advance approval from the Spring Knolls Board.

Advance approval is needed in Spring Knolls, however, if you wish to hold a garage, estate or moving sale any other time. Applications are available in a clearly marked document holder outside the Unit 1 office.

**CAN YOU DIG IT?** Before you dig around your property this planting season, call **8-1-1** or **800 422-4133**, or go to [Dig.Alert.org](http://Dig.Alert.org). California state law says you must contact DigAlert before you dig.

Failure to do so can result in fines up to \$50,000 plus repair costs. Another risk is death — high voltage electrocution or gas line explosions.

## Spring Knolls Board, March 16 meeting update

### Approved / Reported:

- **Approved:** Purchase of new pool heater, plus system installation from Knorr Systems not to exceed \$10,000.
- **Approved:** New Architectural Project Packets with Spring Knolls permits that will be used by residents for HOA-approved projects on their properties. The cost will be \$3 to cover cost of printing materials and folders.
- **Treasurer's Report:** Total operating funds: **\$266,425**. Total Reserve funds: **\$497,784**. Year-to-date NET ordinary income **\$330,532**.
- **Sonnenberg Report:** In April, all property owners will receive a review of the HOA balance sheet from the CPA firm, Sonnenberg & Co. The report will analyze cash flow, revenues and expenses and a forecast for major repairs and replacements.

The next **Spring Knolls Board meeting** is set for **9:30 a.m. April 20** in Eaker Hall, and through ZOOM. Details and agenda will be announced through *In the Know In Spring Knolls* and the Unit 1 clubhouse bulletin boards. Zoom Log in: <https://bit.ly/2Me1YPn> Meeting ID: 863 1774 1882

# WAITING FOR SHADE TO BLOSSOM

**CRAPE MYRTLE:** A white Crape Myrtle sapling (left) as well as a nearby pink one, were recently planted alongside the Spring Knolls clubhouse and will someday provide shade (like the one pictured above) for those using the grassy area to walk their dogs. The two saplings, which can grow to 30 feet, will eventually show flowery blossoms all summer. The trees were planted to replace two palm trees removed several months ago as fire hazards.

# Multiple permits may be needed before you start exterior projects

By James Carmichael

Before starting any exterior work at your house, you must come to the clubhouse for a HOA permit.

The best time is Fridays between 9:30 a.m. to noon.

At that time, I will instruct you to check with the city of Murrieta, Riverside County Housing and Community Development, and DIG if there will be any digging to see if you need any special permits.

**James Carmichael**  
Architectural Director

DIG also tells you where utilities such as gas, water and electric lines are buried.

You will need to know your contractor's license number and he /she should obtain all needed permits for your project.

You may also want to contact neighbors for referrals of good contractors they have used.

Volunteers with building, painting, electrical, plumbing, landscaping, asphalt or concrete experience should contact me (951) 414-9573.

Before starting any work, post any and all permits, visible to the street while the work is being done.

The Spring Knolls board recently approved New Architectural Project Packets that residents will use for HOA-approved projects on their properties. The cost will be \$3 to cover printed materials and folders.

\*\*\*

**Note to everybody:** Your house is your investment, so keep your house safe by using licensed contractors, electricians and plumbers.

When contacted by board members you have the right to see their IDs, proving that they are board members. If they refuse to show IDs, call the Murrieta Police Department and contact the HOA.

# Spring Knolls Library visitors given special bookmarks during Open House

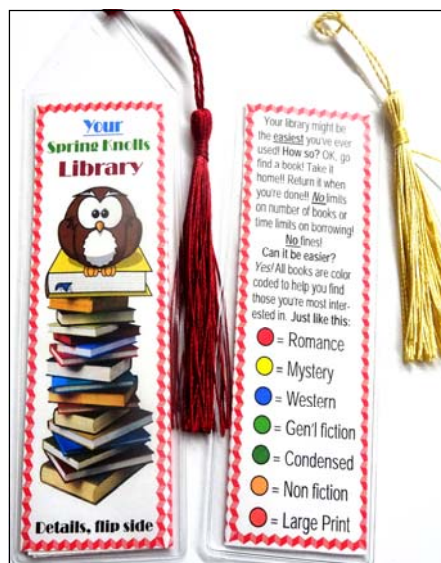

Dozens of visitors to the March 12 Open House were able to check out the remodeled Spring Knolls Library.

And most walked away with a useful souvenir, a handy and free Spring Knolls Library bookmark.

The colorful memento includes one of the library's owl mascots on the front and a simple explanation on the back of the library's color-coding system and how to borrow any of the hundreds of best-sellers.

Due to the pandemic, many long time residents had not seen the improvements made in 2020 that include wheelchair and walker accessibility, a designated Large Print section that now includes nearly 500 titles and two smaller sections of Classic novels and non-fiction books.

If you didn't attend the Open House or didn't receive a bookmark, there are

extras available near the library entrance.

You're welcome to grab one and help protect your library collection.

Spring Knolls Boosters

# Don't let our dinner 'pasta' you by, get tickets now!

Dorothy Vaughn

The Spring Knolls Association Board / SKERT welcome back day on March 12 was very successful, lots of good information.

The Boosters got to meet some nice people and everyone seemed to enjoy the BBQ lunch!

And we thank those who stopped by our table, checked

out our pictures of past events and signed up to help with future events. Linda and Charlene did a great job and really enjoyed talking to everyone.

And, on that note: The advance tickets for our Spaghetti Dinner in the Clubhouse Eaker Hall are now on sale. The date is Friday, April 8 from 5:30- 7 p.m. Price

is \$6 per person. Menu: Spaghetti with meat sauce (meatless sauce available), salad, bread and dessert.

Call Debby (780) 717-9876 or Dorothy (951) 696-0871, for Tickets. We'll gladly deliver them to you. FYI: This is a popular event and tickets go fast!! No tickets will be sold at the door,

A note to readers: Since March 2021, the Spring Knolls News has published the names of residents who have passed away in our IN MEMORIAM section. We feel that, regardless of when they lived here, these residents

were once part of our community and should be remembered in some small way. We don't have the names of everyone, and will try to include those we learn about during the anniversaries of the months they died. More recent passings

will be included as soon as we can. If you know of anyone we've missed, please send an email to [tscjnews@gmail.com](mailto:tscjnews@gmail.com) or call or text me at (915) 502-5602. Thank you.

## SKERT (Spring Knolls Emergency Response Team)

# Event a success with everyone's help

By Alan Hanson & Cindy Woody

Well, the first (but, not last.....) Spring Knolls Open House was a resounding success!!

It featured the Spring Knolls Assn. Board members who answered various questions from the residents. The Open House also was a fantastic way to network both the Board members with homeowners.

On the other side of Eaker Hall were booths and tables staffed by members of the Bible Study group, Best Years, Nominating Committee, medical team, Senior Advocates, SKERT, Area Coordinators, In the Know in Spring Knolls and Boosters.

Next door, residents touring the Library received specially designed book marks telling them how to borrow and find all sorts of books.

Speaking of the Boosters, they helped put on a nice hot dog /macaroni salad / chip /cookie and ice cream lunch

(sponsored by the SKA Board). SKERT sponsored raffle prizes, as well. Many thanks to:

The Area Coordinators (Doria Lore, Sharon Kilpatrick, Ron Sieber) for taking residents on tours of the clubhouse and grounds.

Also, thanks to:

- **Steve Lopez, Ed Carey, Sandy Bright, and Joe Compton** for being there to play bean-bag toss, handle the booths, etc.
- **Ted Vollmer** for being our BBQ chef!
- **Tino Gutierrez and Roberta Jiron** for checking everyone in.
- **The Boosters** for providing the labor for the BBQ lunch.
- **April North and Lee Porter** for the set-up / clean-up.
- **Bill and Nancy Desmond** for being our "Masters of Ceremonies."
- **And, most of all, thanks to the residents** who took time out of their Saturday to attend. You made our day!!

## In the Know in Spring Knolls

# More subscribers; and we need more!

I hope you came and enjoyed the wonderful Spring Knolls Open House on March 12.

Besides in the *Spring Knolls News*, and in flyers delivered to your mail tubes I blasted about the event several times before the event. We had a wonderful time and added more people to our distribution.

Cindy Woody  
e-mail blaster

*In the Know in Spring Knolls* now goes out to 223 homes. We would still like to get more residents to sign up. Remember, if you don't have an email a family member or close friend may get on the list and then pass blasted info on to you. I have a few where adult chil-

dren receive the email and give info to their parents who live here, as needed.

I enjoy being your blaster, trying to keep everyone informed. The nice thank you messages I receive or those that are given to me in person are greatly appreciated. I try.

We need to have watchful eyes and communicate to keep our community safe. If you report something to the police, then please let me know and we can send out a blast, if needed.

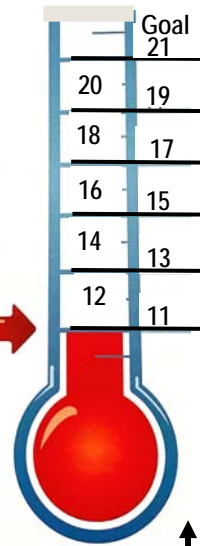

The Murrieta police department wants us to let them know if we see something.

I have seen on their pages how many times people in other areas of Murrieta have reported something and such reporting has been a big help to them and to our town. We all need to watch out for one another.

## Area Coordinator Corner New areas covered by eager volunteers

I'm happy to report that our Goal Thermometer is again moving in a favorable direction after we recently gained 3 new area coordinators.

The first is **Ed Carey**, who will be in charge of lots 351-356 & 371-380. A fire department retiree, Ed will bring us great experience. Next is **Linda Neumann**, a bundle of energy who will join **Joe Compton** with lots 200 - 220. Lastly is **Mick Parisi**,

Heading Up ↑

who will oversee lots 305-317 and is excited to get to know you.

We're excited to welcome these 3 to our Area Coordinator "family". I'll be profiling them in an upcoming *Spring Knolls News!* I hope we can keep this momentum going. Call me at (319) 239-7797 or email me.

A BIG thank you to our Area Coordinators for helping at the March 12 Open House. Some worked the tables inside while others helped out around the Club House Area.

Board member **Ron Sieber** was busy at his Facility Booth and prepared the tour guides. **Sandra Bright** posted colorful signs outside and worked a sign up booth inside.

Area Coordinators who come to your door will be wearing a name badge. They want to know you and have you know them so they can better help you if needed. Now that Covid restrictions have been lifted your area coordinators will be having more in-person interactions with their assigned residents. Please welcome them. We still need more areas covered. Please think about joining!

—Cindy Woody

**By Holli Hanson**

Every month I'll be interviewing new residents to Spring Knolls. Hopefully, one day soon we'll be able to have an in-person orientation for all of them.  
*Join me in welcoming our latest residents:*

• **Dale & Linda Neumann and Glo Mojado**; 28972 Via La Espalda, since December 2021. From Pala, Linda is retired from Stillman Seal as an inspector; Dale is retired from Vons, and Glo is retired from the Boys and Girls Club as a trainer. Dale and Linda have two children and three grandchildren. Linda likes to crochet and she and Dale have enjoyed playing pool at the Clubhouse.

• **Matthew Lyons**, 28878 Via Playa Del Rey, since March 2022..  
From Reseda, Matthew is a retired salesman for an industrial supply company. He likes to work in the garden, cook and play golf.

• **Connie Power**; 28900 Via Princesa since May 2020.  
From Temecula, Connie is a dealer at Pechanga Casino. She has two children and four grandchildren, and likes to work in the garden.

• **Fakri Zubek**; 38570 Via Amarillo since October 2020.  
From San Diego, Fakri is working as a Realtor and mortgage broker. He has

one adult child, likes reading and taking walks.

• **Judy Merritt**; 29018 Via Playa Del Rey since April 2020.  
From Torrance, Judy is retired from retail sales. She loves to do crafts and does a lot of walking. If you are out and about you have more than likely seen Judy walking.

• **Mario and Patty Gomez**, 28891 Via La Rueda since May 2020.  
From Sun City, Mario is retired from the Marine Corps and Patty was an accountant. They have five children and six grandchildren. Both like to read and go to bible study. Patty is a crafter.

*If you're a newcomer to our community and would like to be introduced in the Spring Knolls News, please call board treasurer **Holli Hanson** at (661) 972-0799.*

## What's open & when

Office Open: Fridays, April 1, 8, 15, 22, 29; 9:30 a.m.-noon

### Hours:

- **Clubhouse Hours, 8 a.m. - 7 p.m.**  
**Daily.** Gym, library, main swimming pool, Jacuzzi (18+) billiards room. Residents must accompany guests. Residents who are not vaccinated are asked to wear masks indoors. Small pool temporarily **open** to residents & guests until large pool heater is repaired.  
To access the billiards room, you must be at least 18. Contact Facilities Director **Ron Sieber** at (951) 541-6276.
- **Showers:** Showers now available
- **Eaker Hall:** Open for gatherings. Masks are highly recommended by the Calif. Dept. of Health for everyone indoors.

**Clubhouse Caretaker Assistant Part-time paid position opening:** Saturdays & Sundays. For details, please contact Ron Sieber, Facilities Director: (951) 541-6276.

Special thanks go to new Spring Knolls residents **Skip and Jimmie Robinson** who, before unpacking, donated three boxes of books to the Spring Knolls Library. Many of the books were novels, but a couple dozen also were biographies and nonfiction political books. Thanks again to **Chuck Ludwa** for his book donations. He's been a regular donor and is always appreciated.

We want to thank everyone who helps out, whether with a hand, or a hand out. If you donate anything to your fellow residents or to Spring Knolls, please let us know so we can acknowledge you here. For instance, every book that has rested on our library shelves was donated. We'd like to know who you are so we can thank you properly. So, when you leave such a gift, please leave a note with it.

Please contact us if you're interested in donating anything to the association. Email the editor at tscjnews@gmail.com or contact Ted Vollmer at (951) 319-6749.
