ASSOCIATION - FROM THE BOARD OF DIRECTORS 2023

Here's a brief recap from our July 10th, 2023 open meeting:

- Ballots for the revised CC&R's and Bylaws were distributed in late June. A BIG thank you to everyone who helped make this happen. That's the first part. The second part is we need to meet a quorum of 259 returned ballots before we can even count the ballots. This is an urgent matter, so **PLEASE do your part and VOTE NOW!**
- There is still an open Directorship on our GKA Board. Please send a brief letter of interest or a resume to the attention of the **President at GKA, 29070 Camino Alba**. Elections for the GKA Board will be coming up in the fall. If we cannot get candidates to run for office, we will be forced to seek out alternatives such as a management company.

ASSOCIATION (CONTINUED)

BOARD OF DIRECTOR'S REPORT (Continued)

Our annual dues will most certainly substantially increase. No one wants that but we cannot continue to do this vital volunteer work without a full Board.

- There's another misunderstanding going around that the Board is tossing "old" file information. NOT SO! The truth is we only have so much cabinet space in the office, so we are archiving older records, which are stored on the property in a locked cabinet.

The Board of Directors, on behalf of the community, wants to commemorate CHUCK DAVIS for all his years of selfless volunteer work. His knowledge, work ethic and leadership will not be forgotten.

VICE PRESIDENT - PAT PIPHER

Violations and Collections: No violations for the month of June. Second quarter payments were due July 15th and any collection issues will be in my report next month. Of course, we still have our existing delinquencies and there has been no change from my past report.

REMINDER TO EVERYONE. If you have any plans to install a home charging station, please notify A.C.C. They will require a copy of your permit and confirmation that you have complied with all the safety requirements or you can run the real risk of starting a home fire.

REMEMBER, if you're having trouble paying your assessment, please call me. The Board gets no pleasure assessing late charges or placing liens or foreclosing on property, so please call me so we can work with you in clearing this debt.

GOLF KNOLLS EMERGENCY RESPONSE TEAM - MICK HEROD, CO-CHAIRMAN

The role of the ERT is expanding to include receipt, storage and providing of medical equipment such as crutches, walkers, wheelchairs, shower seats and potty chairs. These are items that are donated to the ERT and stored in the *Haven Room*. If you are in need of any of these units, or have any to donate, contact the ERT at the phone numbers listed on the front of the *GOLF KNOLLS DIGEST*. We will pick up any of these devices at your home. In addition, the ERT will be assisting with the stocking, replenishment and relocation of the First Aid kits, stationed throughout the Golf Knolls Recreation Area.

Recycling of CRV plastic bottles and CRV cans is ongoing. To ease the burden on the recycling volunteers, we ask that you continue to separate cans and plastic where possible. It is OK to leave the caps on the bottles, but not loose in the bags. The redemption center where we take the bottles requires us to dump the bottles into their containers, which have many holes in the sides and the bottoms. Loose caps end up on the ground, make a mess and we do not get the recycle value that they would provide. Also, all bottles must be empty of all liquids, and remember, **NO GLASS**. Thank you for your cooperation.

Recycling of CRV plastic bottles and CRV cans has netted the ERT with over \$500 this year. The funds are coming right back to our residents in the form of advanced First Aid and CPR training. We are reimbursing our ERT members who complete training in life support up to 100% of the fees. The more we can recycle, the more we can subsidize training that will benefit all of us in times of emergency. We have two Automatic External Defibrillators (AEDs) at the Recreation Center, which the ERT monitors for fresh batteries and supplies.

We truly hope that the supplies and trained volunteers of the ERT are never needed, but like insurance they are always good to have available.

COMMUNITY CLUB

COMMUNITY CLUB PRESIDENT – ARLENE MUSCATO

Hello Community! I want to thank all who attended the *4th of July BBQ* and everyone who participated in the *Golf Cart Parade*. The turnout was amazing, we had a total of 119 guests and 35 decorated carts and a few cyclists. The root beer floats were a BIG hit. The *Karaoke Night* that followed on Tuesday was entertaining, singing, dancing and not to mention all the laughing. It was fun. Thank you MARGIE and ROGER MARCEAU for hosting, STEVE and MARLENE for 50/50 and a BIG shout to MICK for his time in providing great music. Keep a lookout for flyers on August's big event, *Fractured Follies – AUGUST 4TH and 5TH* – a two night event; that's a must see! Donations are \$10.00, so I hope to see you there. As always, we welcome volunteers. See you next month!

1 BIT OF NOSTALGIA – *Going down Memory Lane in the early 2000's – Our thanks go to CARL and ALICE GUHLOW who were instrumental in forming our annual traditional decorated Cart Parade which was titled "SLOW POKE PARADE". Their legacy also included a roller player piano which was in the Recreation Center for many years. They lived at the east corner of Via Zapata and Calle Amigable. CHUCK DAVIS was the coordinator at that time.*

WOMEN'S SOCIETY – PRESIDENT, GLENDA SMITH

Hello to all! So nice to see everyone at our July luncheon. Our guest speaker was TONIA SARGENT from EOS Gym, Silver Sneakers, who offered us lots of helpful tips on balancing, and other senior care workouts.

The WOMEN'S SOCIETY would like to give thanks to CHUCK DONNELLY, and his many kitchen volunteers; we simply couldn't host these wonderful luncheons without them. Our Guest Speaker in August will be from the Murrieta Senior Center.

The WOMEN'S SOCIETY encourages volunteers. If you or someone you know would like more information, please attend our luncheon and ask GLENDA or PAM BYERS, V.P. how you can be involved. We look forward to seeing everyone on August 28th.

GENERAL INFORMATION & ANNOUNCEMENT

- **MAGIC NUMBER 529** – That’s the number urgently needed for a quorum. Have you submitted your vote to either *APPROVE* or *NOT APPROVE* the 2023 *CC&R and BYLAW AMENDMENTS*? The *Inspector of Elections* must receive all ballots no later than 5:00 PM, **AUGUST 14, 2023**. These proposed changes require the consent of a majority (529) of the total voting power of the ASSOCIATION and it is **critical** that votes be submitted and processed in accordance with the *Davis-Stirling Act* and be effective upon the recording with the Office Recorder of Riverside. **Make sure the instructions on the Ballot are followed carefully so that each vote counts. Input is serious**; passage of these amendments will save the ASSOCIATION \$\$\$\$ in stamps, and miscellaneous fees, so what’s wrong with saving money?
- **SHOPPERS BEWARE!** What was a routine grocery-shopping trip for **CAROL CRAMER**, (a GOLF KNOLLS senior resident of 35-40 years who lost her husband 2 years ago) - unfortunately, turned into a nightmare. On July 6th, **CAROL** shopped at ALDI’S; she was in the parking lot at 3:45 PM when three people approached her. One was a man perhaps 60 –70 years of age; an elderly woman, 80’ish and a young woman about 20-30 years of age. They did not speak English well and spoke in a mid-eastern language among themselves. They indicated that **CAROL** had dropped a \$20 bill while shopping. **CAROL** opened her purse and wallet to check if it was hers and lo and behold – that was the end of the wallet.

GENERAL INFORMATION (Continued)

SHOPPERS BEWARE

The police came quickly when called but within less than a half hour, the culprits had already shopped at Walmart with over \$900 in purchases with her credit card.

Thieves thrive on the elderly, especially if they are handicapped and are alone. **CAROL** is greatly concerned about her driver's license and credit cards but offers advice to residents to not shop alone and "Let them keep the \$20".

- **PET POLICY – GAY BREWER**

Asphalt temperatures can become extremely HOT! **ALWAYS CHECK THE ASPHALT PRIOR TO ALLOWING YOUR PET TO WALK ON IT.**

Air Temperature	Asphalt Temperature
77 ⁰	125 ⁰
86 ⁰	135 ⁰
87 ⁰	143 ⁰

At 125⁰, skin destruction can occur in 60 seconds. **PAWS WILL GET BURNED!**

TIP: *If it's too hot for your bare feet, it's also too hot for your dog.*

- **SIGN LANGUAGE – PAT CAREY**

I am taking an *American Sign Language (ASL)* class and looking for someone who signs to practice with. If interested, please call **PAT CAREY (970) 749-4221.**

- **RESERVATIONS – BETH HARVEY**

Hi everyone! I want to remind you of the areas of the community that require reservations:

- ◆ Banquet Room
- ◆ Meeting Room
- ◆ Card Room
- ◆ Back Patio (Large BBQ Area)
- ◆ Passion Pit (Small Upper BBQ Area)

Reservations must be made in advance. Fees vary for each room/area and must be collected ahead of your event. Cleaning fees for the BBQ areas are refundable, if the BBQs are cleaned (grill and drippings).

The outdoor patios are very popular during the summer, easily accessible and appear to be available for usage at any time; however, looks can be deceiving. Both patios must be reserved to avoid any conflict. To reserve any of the above, please contact **BETH HARVEY (714) 349-4087.**

PLEASE NOTE: I will be on vacation July 26 through August 24, 2023. In my absence, please contact **VICKI DAVIS (951) 698-5370.** Thank you.

- **SCHEMES, SCAMS, AND FLIM-FLAM** – At the June 26th *Women’s Society* meeting, CINDY WARREN, (*Murrieta City Council District 5*) issued a *Public Information Bulletin “Illegal Card Skimmers”*. For those who have not seen the bulletin – here’s the pertinent information:
“A credit card skimmer is a tiny device that’s attached to an actual card reader. The skimmer scans or “skims” credit or debit card information when a card is used. These skimmers can exist anywhere credit or debit cards can be swiped, including grocery stores, convenience stores, ATMs, gas pumps, and department stores.

SAFETY TIPS

- ✓ **Look at the card reader** – First, check to see if the credit card reader looks intact.
- ✓ **Inspect the card reader** – You can also feel around the card reader for a skimmer. If the machine feels like it’s coming apart in some places, like a piece of it isn’t sturdy or properly installed, that’s a sign a skimmer could be in place.
- ✓ **Check the security seal** - At gas pumps, look for possible skimming by checking the security seal near the reader.

Trust your instincts! If you suspect foul play or are in doubt about the authenticity of a machine, use a different machine or payment method and alert store staff and notify law enforcement.”

- **NO BONES ABOUT IT!** – The body of any organization has four bones:
 1. ***Wish Bones***, who spend all their time wishing someone else will do all the work;

I AM VERY ACCOMMODATING

Margaret E. White

I ask no questions.

I accept whatever you give me.

I do whatever I am told to do.

I do not presume to change anything you think, say, or do. I file it away in perfect order, quickly and efficiently and then I return it to you exactly as you gave it to me.

Sometimes you call me your memory.

I am the reservoir into which you toss anything your heart or mind chooses to deposit there

I work night and day; I never rest; and nothing can impede my activity.

The thoughts you send to me are categorized and filed, and my filing system never fails.

I am truly your servant who does your bidding without hesitation or criticism.

I cooperate when you tell me that you are "this" or "that" and I play it back as you give it. I am most agreeable.

Since I do not think, argue, judge, analyze, question, or make decisions, I accept impressions easily.

I am going to ask you to sort out what you send me, however; my files are getting a little cluttered and confused. I mean, please discard those things that you do not want returned to you.

What is my name? Oh, I thought you knew!

I am your subconscious.
