RECOMMENDATION: HOME REPAIR

Jerry & Donna Martin strongly recommend Blue Diamond Energy Builders: 619-382-0522. We had major flood damage to our coach from a broken hot water heater. The master bath was a complete gut job, and both bedrooms had damage to floors, lower walls, etc. We had the entire master bath renovated; new vanities/cabinets, countertops & sinks, freestanding bathtub, laminate wood floor, new shower stall, and all new accessories installed. Both bedrooms had lower walls repaired with wainscoting put in and all 3 rooms were painted. Both bedrooms also received laminate wood flooring. Last, we had them put in a new front door. Blue Diamond did an exceptional job, were timely and clean, and worked well within our budget. Their recommendations were spot on. Check them out on Yelp, etc. as they are local, licensed, and very reliable.

RECOMMENDATION: HANDYMAN

Ardie Skjod highly recommends Brian Howitt – 951-202-2345 (licensed & bonded) for all services – including electrical – and is a fabulous brick mason.
