By the time you read this, if you're an owner, you should have received a second letter regarding the 2026 election process and the invitation to the Oct. 18 General Meeting.

The General Meeting is when the candidates can tell you a little bit about themselves.

For the past 55 years an elected volunteer board has managed Spring Knolls. If you're on the Board, you're responsible for an area to manage,

such as the clubhouse facility, landscaping, streets, architecture

process, meetings, important mailings, overall closing out the year and making ready for 2026.

And during these upcoming months is a flurry of Booster events. The first one coming up is the 2nd Hand Treasure Sale, Friday and Saturday, Oct. 10 and 11. Included with all the donated treasures, there will be a bake sale and plant sale. That's in addition to all the donated items.

You still have time to add your items to the sale collection, but please get them up to the clubhouse before it's too late. There's always something for everyone at this event and at great prices too!

The Booster parties and celebra-

tions are always so cleverly done and a treat for all. The Halloween party on Oct. 25, is special and has been a particularly fun event in recent years with colorful costumes and many decorations from Lisa McKinney. Check Dorothy Vaughn's column on page 8 for ticket details.

In the midst of the hullabaloo and celebrations we must remember that this time of year also can be very challenging for some. Memories of holidays with loved ones no longer here can be bitter-sweet. Sometimes a thought can hit you one way and the next day an entirely new way. One never knows. Please be sensitive and understanding to yourself, your family, friends and neighbors. I hope you're all doing well!

Time for a 'heart check' focusing on the positives

My usual article for the newsletter is for something architecturally related, roofing, paint, fencing, etc.

This article is architectural related, but just a little different than what you may be used to seeing.

The word, architecture is derived from Latin, mid-16th century, *architectura*.

Most commonly, it's the art or practice of designing and constructing buildings. Also, the complex or carefully designed structure of something. Like your heart.

I started thinking about our hearts and how they're carefully designed and complex.

And we all know how important it is to keep our hearts healthy by exer-

cising, getting out in the fresh air and maintaining proper diets.

Our emotions can affect our hearts as well. So, in light of events that

Jan
Towers

"I know I don't always agree with others' opinions and ideals, so I'm trying to look at other things about those people and focus on the traits they have that I admire."

have been happening in the past few months and weeks I started to think about our hearts in a different way, in an emotional way.

And then I thought, "Maybe it's time for us to all do a 'heart check.'"

I know I don't always agree with others' opinions and ideals, so I'm trying to look at other things about those people and focus on the traits

they have that I admire.

It's easy to get in a funk and just focus on negativity and let it bring you down. I struggle with that; it's human nature.

When negativity happens, I've been trying to make a conscious effort to stop and think about all of the positive and wonderful things I have in my life: The freedom to express my Faith, the freedoms we have in the United States of America, my beautiful family, and friends.

Focusing on these positives makes my Heart happy and gives me a little "heart check".

Heart health is both physical and emotional. Let's all try to support one another and check in on each other's hearts!

Are you ready to learn something new in the Knolls?

Free chair exercise classes start Oct. 13

By James Sebring

Residents from all three Knolls units are invited to Chair Exercise classes beginning Oct. 13.

Three times a week, members will gather in Spring Knolls' Eaker Hall for the exercises. The schedule allows you to miss a day and catch up fairly easily. It also allows you time in between to recover without sacrificing consistency.

These exercises are designed to be in a safe and friendly environment. If you have any concerns about such exercising be sure to talk to your physician.

The one-hour classes begin at 10:30 a.m. Mondays, Thursdays and Fridays. You should bring water and wear comfortable clothing

We'll vary between sitting and standing exercises with a variety of arm and leg exercises, as well as

some light weight (1 to 2-pound weights) exercises.

We work primarily to have fun and recondition our muscles and joints by strengthening our core and balance muscles, and improving flexibility and coordination.

We use music exercise videos to coordinate group activities. But you can vary the routine to fit your own needs. Some of us have muscle and joint issues that prevent certain exercises, but you can modify them to fit your personal needs.

You can slow down, go faster, make fewer specific movements or take a break to stretch or relax before continuing. There are only a few requirements: Don't injure yourself, know and stay with your limits, stay hydrated, breathe, and have fun.

Any questions? Call me at 760 294-1122.

Get creative on Oct. 18 in Unit 2's Canva class

Unlock your creativity and learn how to design beautiful flyers, invitations, greeting cards, newsletters, social media posts, and more — all with Canva, a mostly free website!

No experience required. Just bring your ideas and I'll show you how easy (and fun!) it is to create professional-looking designs.

Don't miss this chance to connect with neighbors and build new skills!

Bring your pen and notepad to take notes. There also will be handouts provided. Computers are not needed, but if you have a laptop and want to bring it, feel free.

VETERANS DAY LUNCHEON: On Nov. 12, the Boosters will be holding their annual luncheon for veterans from all three units. Invitations will soon be sent out. If you're a veteran don't receive an invitation, please contact **Dorothy Vaughn** at 951 696-0871.

2ND HAND TREASURES/BAKE SALE: Another reminder that on **Oct. 10** and **11** at Eaker Hall, the Boosters will be holding their annual sale. If you have items you wish to donate (no electronics or large furniture) contact **Debbie Adelman** at 760 717-0876 or **Dorothy Vaughn** at 951 696-0871, or just bring the items to the clubhouse by Oct. 5.

REFLECTING STICKERS: As it gets darker when Daylight Savings Time ends Nov. 2, remember you can pick up free reflecting stickers for your clothing or pet for those nighttime strolls. The stickers are available at the HOA office on Friday mornings. **Stay safe.**

FIREWISE UPDATE: Spring Knolls' designation as a fire wise community is due for an annual update. Please contact Alan Hanson, chair of the Spring Knolls Emergency Response Team with details of any fire remediation, such as landscaping trimming, gutter cleaning. He needs to submit a renewal notice by Nov. 21. Call Alan at **714 493-1709**

CAREGIVERS: Spring Knolls owners who have or wish to have a caregiver living in their homes must fill out a form that includes a doctor's note that a caregiver is needed. Copies of the required form are available in the board office.

GYM UPDATE: The board of directors are reviewing the various options for reopening the Spring Knolls gym, including the safety of donated equipment. A decision is expected soon.

Election

From page 1

(monitoring homeowners' projects). In addition to the directors, there are the board officers (president, vice president, secretary and treasurer).

When you run for the Board, you're running to be a director. The positions of responsibility are determined by the newly elected members after the Annual Meeting in January.

As volunteers the board members are saving all the owners including themselves the major expenses of hiring a management company.

Board candidate application forms are available by contacting **Chris Heilbron**, Nominating Committee Chair at 951-805-6376 or you can pick up an application from the literature holder under the bulletin

board by the clubhouse office door.

You can also be nominated, or you can nominate yourself at the General Meeting. This meeting is for members (owners) only. Refreshments will be served.

As a reminder, there are four open seats for the 2026 board of directors. Each candidate would be elected to a two-year term. If there are more than four candidates who decide to run, there will be a regular election.

If there are not at least four candidates, the board will vote to approve their election by acclamation in November.

If you don't feel you can commit to a Board position, perhaps you'd consider serving as a board support leader in an area that interests you.

We have a number of support leaders and are open to adding new ones to help address immediate and long-term issues.

New video camera system captures pair in after-hours visit to locked clubhouse

IN THE ACT: (Clockwise) An unidentified man (above left) inspects a padlocked Spring Knolls clubhouse gate at 2 a.m. Sept. 22. ... He then walks to a nearby corner spot where he climbs over perimeter fencing and then drops to the ground where a companion awaits. The after-hours photos were captured by a new video system of 22 cameras that now provides interior and exterior coverage of the clubhouse and grounds. Other images show both the man and woman walking inside the grounds, which had closed at 8 p.m. Sunday, and later climbing a different wall to exit the grounds.

By Ted Vollmer
Spring Knolls News

A weekend after-hours break in at the Spring Knolls clubhouse grounds was captured by a newly installed state-of-the-art closed circuit system that nearly tripled the previous version's coverage.

Two people, a man and a woman, were seen late Sept. 21 and early the next morning wandering the patio area and later climbing a perimeter wall and fence before leaving.

There was no indication that anything was either taken or destroyed during the couple's two separate visits.

Murrieta police were contacted and evidence photos of the unidentified couple have been supplied to investigators.

The Security and Spy CCTV surveillance cameras were installed only weeks before to replace an outdated system that was limited to nine working video cameras. The new system nearly triples that coverage with 22 cameras. Many previously unprotected areas are now under 24-hour surveillance.

The system includes night vision and remote access by three people. Silent alarm features are expected to be added to the security mix.

Spring Knolls Wildfire safety fair eyed for November

We had a busy month for SKERT-Kudos to Connie Power and Charlene Uttecht for attending the City of Murrieta's August CERT training class.

There they learned fire suppression, light search and rescue, medical triage and other necessary skills. They're new members of an elite group of residents who have gone above and beyond to be an asset to their community.

Alan Hanson
SKERT chair

In September we participated in a "field trip" to the SKERT storage room and reviewed its contents.

We saw the medical supplies, tools, cots, tents, food, water and other emergency supplies. We're well-stocked!

Our members also discussed having another Wildfire Fair this year because last year's was well attended after residents said that wildfire dangers were uppermost in their minds.

We've been in touch with Yvonne Frayre from Firewise and looking at dates in November. More info to follow!

Holli and I will be out of town in early October so this month's meeting will be shifted to 6 p.m. Wednesday, Oct. 29.

The Spring Knolls Emergency Response Team (SKERT) normally meets at 6 p.m. on the second Wednesday of every month in Eaker Hall. All Spring Knolls residents are invited to join our efforts to safeguard Spring Knolls including as an area coordinator assigned to contact residents in case of a community emergency.

Ready for great bargains? We'll see you on Oct 10, 11!

The Spring Knolls Boosters will soon be sorting and setting up hundreds of items donated for their annual 2nd Hand Treasures Sale at the clubhouse.

The two-day sale will feature clothing, decorations, kitchenware, wall paintings, outdoor and tool items and many other donated items.

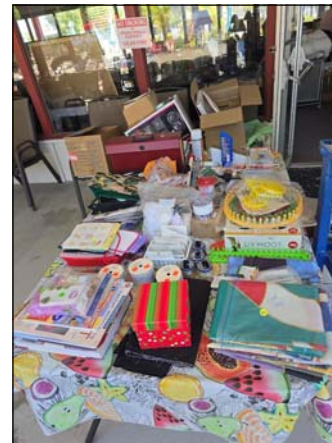

The sale will begin both days at 8 a.m.

If you have items to donate, the Boosters ask that you bring them to Eaker Hall as soon as you can so they can be added to the

sale inventory. Please don't bring large furniture or electronics.

Between 1 and 4 p.m. on Saturday, Oct. 11, a Salvation Army truck will be parked at the clubhouse to load items that were not sold. Spring Knolls residents may also bring other items from home at that time for the Salvation Army collection.

The Salvation Army is looking for items that can be resold at its thrift stores, including: Housewares, clothing, shoes, bikes, furniture, lamps, artwork, purses, luggage, games, etc. People dropping off items will receive a tax receipt.

Editor's note: Items shown in above photos are from the 2024 2nd Hand Treasures Sale. At publication time for this edition, donated items for the 2025 sale on Oct. 10 and 11 had not yet been sorted or displayed.
