Golf Knolls News

November, 2026 Mick Herod, Editor

FROM THE PRESIDENT
By Jerry Dyer

Here it is November already, and the year is fading fast.

As of November 1st, we are back on standard time, and it is getting darker sooner. Please wear light colored clothing if walking in the evenings. I had hoped the U.S. Senate would have passed the bill to remain on Daylight Saving Time year-round, but there were not many bills passed so far this year.

On the 11th we celebrate our living veterans of all the military branches for their service to our country to maintain our freedom within this country. If you run into a veteran or know one, remember to thank them for their service.

On the 26th, we will celebrate Thanksgiving. Give thanks for all you have, family, friends, homes, and our many freedoms. Give thanks to the One who has provided for you. Don't forget those that may be alone on Thanksgiving. Maybe you can ask them to join you in celebrating the day.

The fire department is now enforcing the law pertaining to fire hydrants within our community. All fire hydrants must have a 3ft clearance all around the hydrants. If you have a hydrant on your property, make sure you have cleared any obstacle from the hydrant.

Our water district, at their expense, will begin to replace some fire hydrants within all three associations in late October. If they did not complete the upgrade, it will be done this month.

Have a Happy Thanksgiving, one and all!

INSPIRATION
By Lyn Mari

Hebrews 4:12

God's word is living and active…

Proverbs 16:20

He who pays attention to the word of God will find good and be blessed. Happy and blessed is he who trusts confidently in the Lord.

Romans 10:17

Faith comes by hearing and hearing by the word of God.

James 1:22

But be doers of God's word not just hear only, deceiving and deluding yourselves by false reasoning.

ACC DIRECTOR
By Theresa Sottosanti

Fall is here, and so is the cooler weather, and I love it, and am looking forward to seeing all the holiday lighting and decorations.

Some Fall seasonal maintenance suggestions/reminders:

- Gutter cleaning and leaf removal to prevent drainage backups
- Tree trimming away from roofs and power lines
- Pruning dead branches and cutting back overgrown bushes near the foundations
- Check exterior motion sensors, pathway lights and house numbers so delivery drivers and emergency services can clearly see addresses as the days grow shorter

From the Murrieta Fire Marshall: Do not place trash cans (or park vehicles) in front of any fire hydrant so that the fire hydrant is visible to emergency responders.

The Architectural guidelines are in place to keep our property values high and the neighborhood looking amazing. Thank you for doing your part!

22027 HOA BOARD ELECTION INFORMATION
By Mick Herod, Inspector of Elections

As of this writing, nominations for five candidates have been submitted to fill the three open seats for 2027. Candidate vetting of those five is in process.

<u>If more than three candidates are vetted and agree to hold a Directorship, there will be a HOA Directors election for the 2027 HOA Board.</u> If three or less candidates are vetted, the Board has the option to fill those seats by acclamation, meaning the Board may appoint vetted candidates without needing an election.

We are working towards announcing vetted candidates, along with their photos and candidate statements, in the December newsletter, prior to the mailing of ballots.

COMMUNITY CLUB
By Pam Byers, President

*****Community Club Upcoming Events***

VETERANS LUNCH $8 (Veterans & spouse complimentary) on NOVEMBER 11, 2026, 12-NOON - Golf Knolls Banquet Room

*****Attention Veterans*****-Reserve your seat and pick up your tickets November 2, 3, 4. Veterans and a spouse will receive a complimentary ticket. Additional tickets may be purchased for $8. Veterans will be given priority seating. This is open to all residents.

You must call and pick up your tickets from Pam Byers - November 2,3,4 @ 951-285-8125

*****IMPORTANT REMINDER*****

Due to the holidays, Bingo will be one week earlier on Thursday, November 19th and Dark in December.

ENLIGHTENMENT
By Cheryl Rhodes

"We may follow different paths, practice different faiths, or hold different beliefs, but we can still meet one another with respect, compassion, and love."

WELCOME NEW RESIDENTS
By Linda Fuller

WELCOME FALL. Please join me in welcoming the newest residents to our GKA COMMUNITY:

KEVIN PETITTE, Lot 212, 29020 Via Zapata, 760-224-1956

Kevin moved here from Vista, CA. Kevin was born in Hillsdale, NJ. He retired as a teacher. Kevin enjoys walking, reading, cooking and exercising. He has 5 children and 5 grandchildren.

ROGER KEITH & NORMA PARROTT, Lot 222, 29135 Via Zapata, 951-923-3073

Roger & Norma moved here from Hemet, CA. They were born in Hemet, CA. Roger worked in Retail Sales and Norma worked for GTE Telecom. They both enjoy gardening and their Jack Russell dog.

PAUL & EILEEN ROSENOW, Lot 232, 29035 Via Zapata, 562-309-3523

Paul & Eileen moved here from Wisconsin. They were born in Mouston, Wisconsin. Since retiring they both enjoy prayer. They have 2 children.

MARSHA BRINKER, Lot 88, 38068 Calle Quedo, 951-219-3691

Marsha moved here from Oregon. She was born in Long Beach, CA. She is retired/homemaker. Marsha has 3 children and 5 grandchildren.

"Be someone's rainbow today"

LOOKING UP IN NOVEMBER
By Mick Herod

This month you can enjoy three different meteor showers near the new moon (when the sky is darkest).

November 4-5 Southern Taurid Meteor Shower Peak — Produces about 5–10 meteors per hour, famous for occasional bright fireballs.

November 9 New Moon — Ideal for dark-sky stargazing and astrophotography.

November 11–12 Northern Taurid Meteor Shower Peak — Second stream of the Taurids, known for bright, slow-moving fireballs.

November 17–18 Leonid Meteor Shower Peak — Peaks around November 17–18, offering fast-moving meteors with glowing trails (up to 15–20 per hour).

November 24 Full Beaver Supermoon, named after the time of year when beavers take shelter in their lodges after piling up food stores for winter. A Supermoon is a full moon that happens when the Moon is at or near its closest point to Earth in its elliptical orbit, also known as perigee. The opposite is a micromoon, coinciding with apogee (when the Moon is farthest away from Earth).

DID YOU LOSE SOMETHING???
By Jane Recht

Have you lost it?

Hi everyone. We had a GKA meeting on October 12, 2026. For those who missed the meeting, here is the list of lost items being held in the GKA office. Please come by on Friday morning and claim any item that belongs to you. When we have an item for a year they get donated to Goodwill, except for keys.

Lost and Found Items:

- 2 Keys on key ring with Number 18 plastic white tag attached 11/5/2025
- Two blue and white dreidels left in Meeting Room in December 2025
- Men's Silver colored ring found at bottom of pool Oct 2025
- Key chain from Hawaii Volcanoes National Park
- Gold colored ladies' necklace with five stars and rhinestones
- Two silver colored Lowe's key copies found on Via Taffia and Calle Cervato
- Kingz Royal Blue Karate? Robe found outside Exercise Room
- Green towel with brown Seattle baseball cap 9/2026
- Black plastic framed glasses 10/2026
- Half brown, clear and tan framed gold wire rim glasses 9/2026
- Small half size lenses gold framed glasses 9/2026
- Blue swim googles 10/2026

If you find any items on our streets or at the club facilities, please place them in the office mail slot. It would be helpful if you could attach a note stating where you found it. (I get a lot of inquiries on prescription sunglasses and eye wear but not that many glasses get turned in.) Stay happy and healthy.

Would you like to view or print the GKA News (including past issues) in full color? Just go to our website at *www.gkahomes/calendar*

EMERGENCY RESPONSE TEAM
By Mick Herod

Since we're always getting new residents, it is appropriate to remind our new neighbors about a seldom seen, but vital service to Golf Knolls.

In the case of a park-wide emergency (earthquake, fire or flood, as depicted in the logos above), the Emergency Response Team (ERT) will turn on their two-way radios and begin to respond to residents who need assistance.

Our *Command Center* is located at the GKA Recreation Center. From there, we will formulate an action plan, whether it be providing first aid or coordinating area evacuations.

If evacuation becomes necessary, we will make use of our emergency exit on Calle de Amor, allowing access to and from Hunter Road. This gate is normally closed to all but emergency vehicles. Calle de Amor is the last street before our Clubhouse on Camino Alba. The electric gates can be opened by any GKA Board Member. They can also be opened by Police, Fire and Paramedics, either via remotes provided by the City of Murrieta or by the emergency lights already on their vehicles (these are the lights that turn traffic signals green when emergency vehicles approach. This includes both entering and exiting Golf Knolls), and are used frequently.

The gates are solar-powered using high-capacity batteries, so they are not dependent upon power supplied by So Cal Edison (SCE).

We hope to never have a major event, but we'll be prepared if/when we do.

HOT SPRINGS RESORT DISCOUNTS
By Marna Motew

All Knolls residents can now enjoy the Murrieta Hot Springs Resort for HALF PRICE. When booking online, choose the "Local Resident Day Pass." Price shown is $59, midweek Monday through Friday, but use code 'Knolls' at checkout to reduce the price to $29. Local ID is required at check-in.

New this year is a HALF PRICE discount for Yearly Memberships, of which several options are available. Contact the resort at 951-249-8920 for more information.

BINGO! ARE YOU GAME???

BINGO IS ONE WEEK EARLY THIS MONTH **(November 18).** Golf Knolls sponsors Bingo in the Banquet Room, typically every fourth Thursday at 4:30pm. Bingo card sales close at 5:30pm and the games begin shortly after. Also, **Bingo will be dark in December.**

Each month the games are somewhat different as to what pattern must be completed (e.g., "Layer Cake," "Letter X" or "Blackout"). Some games pay out over $100! You could be next! In addition, there is a 40/30/30 cash drawing where you can go home with a full wallet, even if you don't win a single game!

A full set of six bingo cards (good for all eight games) is only $6, with "special" high-payout game pieces available for additional cost.

Tom and Leslie Larson and their team prepare complimentary pre-game finger foods. There's also a break in the middle of the games for refreshments. Most game nights are finished around 8:00pm.

Beginners are always welcome. Come on out for a fun evening!

CALIFORNIA VEHICLE CODE KNOWLEDGE TEST
By Mick Herod

It may have been years (or possibly decades) since you were required to take a written test at the DMV. I know it was for me, so I put together a little quiz on the California laws that I've observed are often violated, or at least misunderstood. Read each question carefully. Don't be afraid of making a mistake...nobody's looking. You can find the answers on Pages 10-11.

1. What do you do when you hear a siren or see flashing red or blue lights approaching <u>from any direction?</u>

- *A) Stop right where you are and put on your hazard lights*
- *B) Signal, then pull to the right and stop, clear of any intersection*
- *C) Slow down and stop <u>only</u> if the emergency vehicle is approaching on your side of the road*

2. When approaching a STOP sign, <u>where</u> are you required to stop?

- *A) Anywhere, as long as you're not sticking out into the intersection*
- *B) Behind the painted "STOP" letters on the roadway*
- *C) Behind the painted limit line (or crosswalk, if there is no limit line)*

3. Two vehicles arrive at a STOP sign <u>at the same time</u>. Who goes first?

- *A) The vehicle on the RIGHT*
- *B) The vehicle on the LEFT*
- *C) Always let the other driver go first; it's the courteous thing to do*

4. A school bus <u>traveling in the opposite direction</u> has its red lights flashing and STOP arms extended. When do you NOT have to stop?

- *A) When the school bus is on a divided road with either a painted or raised center median*
- *B) When vehicles behind the school bus are passing the bus*
- *C) When the road has a two-way left turn lane*

CALIFORNIA VEHICLE CODE KNOWLEDGE TEST continued

5. Two vehicles facing each other arrive at a STOP sign at the same time. One is signaling to turn left. Who goes first?

A) There is no law dictating the right-of-way
B) The vehicle turning left
C) The vehicle going straight or turning right

6. A vehicle is entering a freeway from an on-ramp. Who has the right-of-way?

A) There is no law dictating the right-of-way. BOTH vehicless must yield.
B) The vehicle(s) already on the freeway
C) The vehicle entering the freeway

7. When turning or making a lane change, when must you put on your turn signal?

A) There is no law dictating the use of turn signals
B) Continuously for 100 feet before turning or at least 5 seconds before changing lanes and merging, entering or exiting a freeway
C) Not required unless the cops are watching

8. When a two-way left turn lane is available, how soon before your turn can you enter the lane?

A) There is no law dictating the distance in which you can use a two-way left turn lane
B) 50 feet or less
C) 200 feet or less

9. When does a YIELD sign require a full stop?

A) Any time there is a vehicle, bicyclist or pedestrian in the intersection or roundabout
B) Any time before entering a roundabout
C) ALWAYS stop before proceeding past a YIELD sign

10) When can you legally make a U-turn?

A) In front of a fire station
B) In a business district
C) Across a double-double yellow line
D) When permitted by a green arrow or green traffic light and a sign does not prohibit it

11. Who always has the right-of-way when a green arrow is displayed?

A) Pedestrians and bicycles
B) Vehicles still traveling through the intersection
C) The vehicle to which the green arrow is displayed
D) A and B

12. You are approaching a railroad crossing with red lights flashing. When do you have to stop?

A) Not required if you can proceed before the crossing arms come down
B) Whenever the red lights flash, whether the crossing arms are down or not
C) When the crossing arms are completely down

CALIFORNIA VEHICLE CODE KNOWLEDGE TEST ANSWERS/EXPLANATIONS
By Mick Herod

1. What do you do when you hear a siren or see flashing red or blue lights approaching from any direction?

B) Signal, then pull to the right and stop, clear of any intersection

Why? Because even if the emergency vehicle is in opposing lanes, sometimes the only way for the emergency vehicle to get through an intersection is to drive on the wrong side of the road (to get around traffic stopped at a red light).

2. When approaching a STOP sign, where are you required to stop?

C) Behind the painted limit line or crosswalk

Once you stop, you may creep forward to see around vehicles beside you that are blocking your view of cross-traffic (especially when turning right).

3. Two vehicles arrive at a STOP sign at the same time. Who goes first?

A) The vehicle on the RIGHT

While this is the actual vehicle code, DO NOT expect everyone to abide by the law. Even when you're the vehicle on the right and have the right-of-way, be ready to stop quickly if the other vehicle bolts in front of you. However, if the driver on your right waves you across, do not hesitate and slowly proceed through the intersection.

4. A school bus traveling in the opposite direction has its red lights flashing and STOP arms extended. When do you NOT have to stop?

A) When the school bus is on a divided road with either a painted or raised center median

A median may be a raised divider or a painted median consisting of two parallel sets of solid double-yellow lines, separated by two feet or more. You may NEVER drive in or cross this painted median. (Note: a two-way left turn lane does NOT qualify as a center median.) If you are approaching the school bus from behind, you must ALWAYS stop, regardless of the lane configuration.

5. Two vehicles facing each other arrive at a STOP sign at the same time. One is turning left. Who goes first?

C) The vehicle going straight or turning right

Left-turn drivers only have the right-of-way if they arrived at the STOP first. Otherwise, they must yield to the oncoming traffic. Again, don't take this for granted. Some drivers will approach the intersection at a high rate of speed, make a panic stop then bolt across the intersection.

6. A vehicle is entering a freeway from an on-ramp. Who has the right-of-way?

C) The vehicle entering the freeway

It is incumbent upon the driver entering the freeway to do what is necessary to safely merge into freeway traffic. Signal your intention, check your mirrors, speed up or slow down if necessary, turn your head and look for an opening. Drivers already on the freeway are not required to slow down to let you merge.

7. When turning or making a lane change, when must you put on your turn signal?

B) Continuously for 100 feet before turning or at least 5 seconds before changing lanes and merging, entering or exiting a freeway.

If you're not sure what 100 feet looks like, err on the side of caution. Use 7 car-lengths as a guide.

7. When turning or making a lane change, <u>when</u> must you put on your turn signal?

B) Continuously for 100 feet before turning or at least 5 seconds before changing lanes and merging, entering or exiting a freeway.

If you're not sure what 100 feet looks like, err on the side of caution. Use 7 car-lengths as a guide.

8. When a two-way left turn lane is available, how soon before your left turn can you enter the lane?

C) 200 feet or less

Be very cautious when entering a two-way left turn lane. Some impatient drivers behind you will attempt to enter the lane from a half-block back, zooming by you on the left as you wait until the legal distance. (This is especially true if they're speeding by you to make the left turn before the light changes.) Signal for your lane change, wait until you're within the 200 foot distance and look to see if it is clear. Watch for vehicles in the lane in front of you that are also wanting to turn left; they may enter the lane without warning. Finally, look for <u>oncoming</u> vehicles in the lane who might have entered the lane prematurely and are blocking your forward progress. We're too old to play a game of "chicken!"

A two-way left turn lane can also be used to complete a left turn from a driveway or side street, but with the same 200-foot restriction. Just use caution when vehicles already in the lane are approaching where you want to enter the lane.

9. When does a YIELD sign require a full stop?

A) Any time there is a vehicle, bicyclist or pedestrian in the intersection or roundabout

Otherwise, you may proceed through the intersection or roundabout.

10) When can you legally make a U-turn?

D) When permitted by a green arrow or green traffic light and a sign does not prohibit it

You can also make a U-turn on a divided highway if a center divider opening is provided. You <u>cannot</u> make a U-turn when your view is obstructed for at least 200 feet, <u>unless protected by a traffic light.</u> You <u>cannot</u> make a U-turn mid-block in a business district, even if there is no center median. You <u>cannot</u> make a U-turn (or a left turn) across two sets of double-yellow lines. You <u>cannot</u> make a U-turn at or on a railroad crossing.

11. Who <u>always</u> has the right-of-way when a green arrow is displayed?

A) Pedestrians and bicycles

B) Vehicles still traveling through the intersection

D) A and B

You do not have the right-of-way, even with a green arrow, until the intersection is clear of all pedestrians, bicycles and vehicles.

12. You are approaching a railroad crossing with red lights flashing. When do you have to stop?

B) Whenever the red lights flash, whether the crossing arms are down or not.

You are required to stop at least 15 feet (and no more than 50 feet) from the nearest rail

May your stuffing be tasty
May your turkey be plump,
May your potatoes and gravy have nary a lump.
May your yams be delicious and your pies take the prize,
And may your Thanksgiving dinner stay off your thighs!

GKA Mandatory Orientation for ALL New Residences
Wednesday's by Appointment Only
9:00 to 12:00 ~ Meeting Room
