## ASSOCIATION - FROM THE BOARD OF DIRECTORS 2023

Here's a brief recap from our August 14<sup>th</sup>, 2023 open meeting:

- The September 11, 2023, open General Meeting will be held at 6:00 PM in the Banquet Room. During that meeting the *Inspector of Elections* will count the ballots for the revised CC&R's and Bylaws. The voting deadline for the revised CC&R's and Bylaws has been extended to 5:00 PM on September 11, 2023. Up to three (3) lot owners may silently observe the voting process. So come to the meeting and let us know if you want to do that when the matter is brought up.
- As happens every summer, pool violations multiply. It is the lot owner's responsibility to supervise their guests. The *Pool Rules* are posted. Please take time to read them.

**ASSOCIATION (CONTINUED)**

**BOARD OF DIRECTOR'S REPORT (Continued)**

Rinse off at the outdoor shower before entering the pool. Don't leave trash around. Supervise your guests, especially the children. There is no running, yelling, etc. Don't blast your music. Wear water-soluble lotions because accumulation of oil and other non-dissolvable lotions cause excessive wear and tear on the filtration system.

- Did you know that each lot owner is responsible for keeping the curb area in front of their homes clean? While out sweeping the curb, if there is debris on the street in front of your home, clean it up too!
- REMEMBER the GKA election season starts in the fall. Elections will be held for both the GKA Board of Directors and the COMMUNITY CLUB Board. Please consider running for one of these offices. It's critical that these Boards are filled with volunteers so we keep our dues low.

**VICE PRESIDENT - PAT PIPHER**

**Violations and Collections:** No violations for the month of July-August though work continues on a few older issues. There were 7 delinquencies for the July quarterly and semi-annual payments. All were cleared within a week. Thanks for everyone's cooperation. Of course, we still have our existing delinquencies and there has been little change from my past report.

**REMINDER TO EVERYONE.** If you have any plans to install a home charging station, please notify A.C.C. **BEFORE** installation. In most cases, they will require a copy of your permit and confirmation that you have complied with all the safety requirements or you can run the real risk of starting a home fire.

**REMEMBER,** if you're having trouble paying your assessment, please call me. The Board gets no pleasure assessing late charges or placing liens or foreclosing on property, so please call me so we can work with you in clearing this debt.

**H**ello, GOLF KNOLLS Residents! I know it's been awhile since I have written in the *GOLF KNOLLS DIGEST*. I'm back! A lot is going on at the Clubhouse – Spring Cleaning! During the last couple of months, I've been observing the driving habits of our residents, guests, handymen, gardeners, etc. Please tell all persons visiting or working on your property that you, the Homeowner, is responsible for their behavior.

Please DO NOT give your FOB to anyone! You, the Homeowner, must accompany all non-residents going to the clubhouse. There is NO SMOKING anywhere at the clubhouse! All residents and guests must shower before going in the spas or pool. Children are to follow all CC&Rs too!

If you need an *RV* or *Overnight Parking Pass*, let me know. If someone that you do not know parks overnight in front of your house, please let me know. Vehicles can be towed.

Have a wonderful September!

**GOLF KNOLLS EMERGENCY RESPONSE TEAM - MICK HEROD,  
CO-CHAIRMAN**

**S**ince we have so many new residents joining the Golf Knolls Community, we'd like to take a few minutes of your time to explain who and what is the *Emergency Response Team*.

First, a bit of history. The *Emergency Response Team* evolved out of the Emergency Preparedness Team, which was formed several years ago. Preparedness should be done by each and every resident; in other words, Preparedness is Personal. It's when you get yourself ready for any unexpected emergency.

**ASSOCIATION (CONTINUED)**  
**EMERGENCY RESPONSE TEAM (Continued)**

There are reams of checklists on what you should do to prepare...just take a look on your favorite search engine and you'll find more than enough information. Those who are prepared stand a better chance of getting through a park-wide emergency relatively unscathed.

It became obvious that, as a community, we had not been sufficiently organized or coordinated on how to respond in an emergency where experts tell us we may have to be self-reliant for 72 hours or more. It could take that long for emergency services to be able to reach our park, so we needed a way to keep everyone reasonably safe and comfortable for a short period, in case of fire, flood or earthquake.

The *Emergency Response Team* is comprised of about twenty volunteers, consisting of *Block Captains* and *First Aid Tent Captains*. These individuals will be responsible for checking on neighbors in their area. The five First Aid Tents are located throughout the community. The main *Command Center* will be the Recreation Area, as we have adequate facilities to assist a large number of people.

Each *Block Captain* and *Tent Captain* have a powerful two-way radio, to keep in touch with the *Command Center* and to call for additional help, should the need arise.

At this point we are not yet fully staffed. We need more *Block Captains* (individuals or couples), so that we have every area of Golf Knolls covered. We're looking for some willing volunteers, whom we will train, to join our Team. Would you consider it? If you'd like to know more, please call **BOB BONHAM** or **MICK HEROD** at the numbers shown at the front of the **GOLF KNOLLS DIGEST**.

On another note, The Great Shakeout is coming on the third Thursday of October (10/19 at 10:19). This is an annual earthquake drill done all throughout California (as well as other states). Over 6 million Californians are registered to participate. For more info, go to [www.shakeout.org/california](http://www.shakeout.org/california).

**COMMUNITY CLUB**  
**COMMUNITY CLUB PRESIDENT – ARLENE MUSCATO**

Hello Community! I want to thank all who attended the 4<sup>th</sup> of July BBQ and everyone who participated in the *Golf Cart Parade*. The turnout was amazing, we had a total of 119 guests and 35 decorated carts and a few cyclists. The root beer floats were a BIG hit. The *Karaoke Night* that followed on Tuesday was entertaining, singing, dancing and not to mention all the laughing. It was fun. Thank you MARGIE and ROGER MARCEAU for hosting, STEVE and MARLENE for 50/50 and a BIG shout to MICK for his time in providing great music. Keep a lookout for flyers on August's big event, *Fractured Follies – AUGUST 4<sup>TH</sup> and 5<sup>TH</sup>* – a two night event; that's a must see! Donations are \$10.00, so I hope to see you there. As always, we welcome volunteers. See you next month!

GENERAL INFORMATION & ANNOUNCEMENT

- STILL WAITING FOR 529 – That's the number urgently needed for a quorum: the date for return has been extended to 5:00 PM, SEPTEMBER 11<sup>th</sup> by the *Inspector of Elections*. Have you submitted your vote to either *APPROVE* or *NOT APPROVE* the 2023 *CC&R and BYLAW AMENDMENTS*? These proposed changes require the consent of a majority (529) of the total voting power of the ASSOCIATION and it is critical that votes be submitted and processed in accordance with the *Davis-Stirling Act*. Make sure the instructions on the Ballot are followed carefully so that each vote counts. Input is serious; passage of these amendments will save the ASSOCIATION \$\$\$\$ in stamps, and miscellaneous fees, - money that can be used towards other important areas of concern.

- **SEPTEMBER 16 – ROSH HASHANAH** is one of the holiest time on the Jewish calendar; a time for reflection; the two-day observation “head of the year” or the “New Year”. Jewish tradition teaches during this period, it’s a time of self-evaluation, of acknowledging one’s sins and shortcoming during the previous year, of making amends to those whom one has wronged and making a plan to live the next year in line with commandments to treat other human beings and all the creatures of the Earth with respect and kindness, to do charity and uphold justice. To all our Jewish friends and neighbors “*L’Shanah Tovah Tikatevu*” (“*May you be inscribed in the Book of Life and have a good year*”)

- SCHEMES, SCAMS, AND FLIM-FLAM – Have you been the recipient of a "Fraud Alert" on your computer or phone? These fake fraud alerts ask for a "yes" or "no" response for a pending transaction; purchases not made; or prompting to confirm banking information. You may get a "Courtesy Alert" about a purchase you didn't make. A phone number is provided if it wasn't you. An example is for "Order #--- for a Sound System for \$989 which will be automatically deducted from your card, not you? Call 1855-626-3957". Scammers use the threat of fraudulent purchases to get you on the phone or prompt you to confirm banking information.

Once on the phone, the scammer will push you to "verify" your personal information, such as your credit card number. Sometimes these alerts claim to be from your bank. No matter how you respond with a "yes" or "no" to these fake fraud alerts, you will be told to "verify" your response.

Never click on links, respond to messages or cell phone numbers. Ignore them; contact your bank using the phone number on the back of your card to verify the transaction.

**PROFILE – MARTI GABRIEL**

**JUDITH WALSH** just moved to Lot 781, GOLF KNOLLS with her brother. The article in the GOLF KNOLLS DIGEST "New Residents" made it sound like they were married. **JUDITH** wanted to set the record straight that they are sister and brother.

## GENERAL INFORMATION (Continued)

**JUDITH** was born in Oshkosh, Wisconsin. **JAMES** was born three years later at an army camp in Indiana. Their father was in the Army, which meant they all were in the Army. Their father was deployed to Germany during the reconstruction. The Army moved the family and all household belongings! **JUDITH** and **JAMES** were very young, so they don't remember much. **JUDITH** does remember turning five on the boat back.

After Germany, their father went into the Army Reserves and went to work for Sears in Madison, Wisconsin. Mom made the home the one all the kids in the neighborhood wanted to hang out in. After about ten years, Dad wanted to own more land so they bought an 84-acre farm outside of Stoughton Wisconsin. Mom had a vegetable garden. No corn ever tasted better! They leased part of the land for alfalfa, corn, and tobacco. Dad still worked at Sears and was soon transferred to San Juan Puerto Rico to open a store. **JUDITH** and **JAMES** went to a private Christian school. **JUDITH** graduated high school; as a graduation gift, she and her mom went to California to visit family.

**JUDITH** and Mom decided to stay in California and settle in the Monterey area. They were asked if they would like to manage an Inn (*The Colonial Terrace*) in Carmel. They talked about it and decided they would do it for one year. One year turned into twenty-seven (27)!

**JAMES** stayed in Puerto Rico with his dad until he was transferred to Columbia, South America. He finished school there at another Christian school. Dad retired from the Army before moving to Columbia as a Lt. Colonel. After graduating, **JAMES** went to California and joined Mom and **JUDITH**. He attended Monterey Peninsula College.

After a few years, **JAMES** got married. Dad retired from Sears and opened his own store in Madison Wisconsin. **JAMES** and his wife decided to move to Wisconsin to help Dad in the business. When Dad retired to the farm, **JAMES** and his wife moved to Sedona, Arizona and opened their own stores, an art and craft gallery, a Christmas store, and a southwest souvenir store.

Mom had a cousin who lived in Grover Beach, California, so when Mom retired, they bought a townhouse with an ocean view. **JUDITH** looked after her mother until she passed as well as working various jobs. The job she liked the best was working for a veterinary clinic. She loved working with the animals and delivering puppies.

In Sedona, **JAMES** had gotten divorced and then remarried and had a daughter. In time, **JAMES** sold his stores and he and his family moved to Burbank to be close to his wife's family. There he started a design business. He worked with the rich and famous. **ELIZABETH TAYLOR** was one of his many clients. After **JAMES** got a divorce, he moved in with **JUDITH** in Grover Beach to help her.

When the stairs got to be too much, **JUDITH** decided to sell. **JAMES'** daughter lives in Winchester, so it was natural to look in the GOLF KNOLLS area, which reminded **JUDITH** of the area she grew up in Madison, Wisconsin. They look forward to the future in GOLF KNOLLS.
