PARADISE DEBUT: A lone Bird of Paradise blooms in mid-August from a Spring Knolls yard as it reaches for the clouds. It was the first of many blooms expected despite the triple-digit temps.

SPRING KNOLLS

SEPTEMBER 2023

## *Turning the corner as the clock flies; so much more before 2024*

September always makes me feel like we're rounding a corner, and heading to the finish line — the end of the year.

It seems time picks up speed, too, although I'm sure it's just all the events and celebrations set to come during the last few months of 2023.

Looking back on a wonderful summer, on behalf of the board I must do a big shout out of "thank you so much!" to our Boosters and all the many volunteers who worked so hard to bring us the popular and tasty Friday night hot dog and burger barbeques. And the patty melts, one of my favorites!

Special thanks and mention to Dorothy Vaughn and Debby Adelhelm, the ring leaders. Those two work so hard throughout the year but

especially during the summer events. Hats off to you ladies!

Also a special thanks to Lisa McKinney, our Spring Knolls caretaker, for all her help with the barbeques.

Who knew she could also commandeer a blazing grill as she has this summer, along with all her other talents?

Speaking of BBQs, Thursdays have been my baking days this summer. I so enjoy spending time in the kitchen preparing treats, it gives me time to reminisce about my grandmother. As I've said before my grandmother and I

See **SKA PRESIDENT**, page 2

It won't be long now until the Oct. 21 General meeting in which residents will get a chance to hear from candidates for the 2024 Spring Knolls Association board.

And you could be one of those candidates. If interested in running, contact Nominating Committee Chair Chris Heilbron at 951 805-6376.

There are five director positions open for two-year terms beginning in January. Election details and ballots will be sent to all property owners in several mailings.

The Oct. 21 meeting will begin at 1 p.m. in Eaker Hall and will include refreshments. There also will be a discussion of the 2024 budget.

More details will appear in the October *Spring Knolls News*.

spent a lot of time either baking in the kitchen or planting in the garden. Also, to my fellow BBQ bakers who've contributed those yummy desserts over the summer, a super thank you to all of you too.

Summer also means grandkids and family. It was wonderful to see all the children – including my own grandkids – enjoying the pool. And now since school's back in session and the family pool's usage has dropped, we're saving some money by switching the heating of the family pool to solar only.

By switching to solar we're trying to make up some of the budget dollars used for the unexpected enormous January utility bills. It's still hot in September so the solar can keep the family pool at a decent temperature. The large pool, however, needs more help and will remain at the regular temperature and elec-

tronic heating schedule.

With the grandkids and family back in the Fall groove it's time to clean out the closets and storage bins for the Boosters 2ndhand Treasures Sale, Sept. 28 and 29. See pages 5 and 7 for more info.

If you find any of these items, the clubhouse could use them too:

- **Free weights for the gym**
- **Large flower pots**
- **Outdoor chair cushions, side tables.**
- **Folding tables – all sizes**

We're also rearranging office furniture to make the setup more user friendly to directors and visitors. If you have any small indoor side tables we might be interested in those, too. You can call me at 951 319-6749 and I can come take a look or pick them up. If we don't use them for the office they can be placed in the Booster sale if that's OK with you.

The general meeting is also coming soon, as is the election, Halloween Party, Veterans luncheon, Holiday Party. Take care all!

## It rhymes with 'attitude' and can have many positive impacts on our lives

### 'Gratitude'

Recently, that word has been in my daily thoughts so I decided to do a little research.

According to the Oxford Dictionary, gratitude is defined as *"the quality of being thankful; readiness to show appreciation for and to return kindness."*

An article from Positive Psychology notes that gratitude can have a snowball effect in our lives. And that you never know the positive present and future impacts your gratefulness will have on others.

What are you grateful for? As for me, I have many things:

My family, living in the United States of America and the freedoms we are allowed. Our military, law enforcement and our firefighters!

Also, I'm grateful for this community and the many wonderful people I've met and can call my friends.

**Jan Towers**  
Vice president,  
architectural

Last but not least, I'm grateful for our Spring Knolls HOA Board. I'm proud to be part of it and very thankful for each and every Board member and our Support Leaders. Everyone puts in a lot of hard work and you can't always see or know what's happening, but we're all trying to do our best for our beautiful community.

A quote from John Ortberg: *"Gratitude is the ability to experience life as a gift."*

**The next Spring Knolls Association board meeting is 6 p.m. Sept. 20, in Eaker Hall. An agenda will be posted and also blasted out on SK In Spring Knolls.**

## Consider a 'flip flop' on walking your pet on hot pavement

About three summers ago I went for a walk up to the clubhouse wearing flip flops.

**Charlene Kirkwood**  
Compliance Administrator

Well, one broke which meant I had to walk home with one bare foot. Not one person drove by. I think I would have accepted a ride with "The Boston Strangler" it was so painful.

I learned my lesson to always wear proper shoes when walking.

The moral of this story is please let's be kind to our fur babies and walk them in the morning or early evening.

We do not have sidewalks and walking on the blacktop is too hot for their little paws.

Enjoy the rest of your summer!

**By Mary Lou Morgan**  
Welcome editor

This month we have eight wonderful new neighbors to welcome to our Spring Knolls Community. So allow me to introduce the following:

• **Rick Thomason**, 29185 Via Princesa, since May.

Rick is a retired So Cal Edison manager. He has three children, five grandchildren and one great grandchild. He loves golf, fishing and boating.

• **Wadi Bader**, 28799 Via Playa Del Rey, since July.

From Las Vegas, Wadi is self employed, has two children and two grandchildren.

• **Edward Macy and Wen Yin Zhang**, 29206 Via Princesa.

Edward and Wen moved here in July from Fallbrook. Edwards is employed with Fasttime Auto.

They have one child and three grandchildren. They like golf, bingo and BBQs.

• **Clark and Kim Eaton**, 29148 Via Playa Del Rey, since August.

From Coppell, Texas, Clark works at Allied Interiors and Kim is a self-employed bookkeeper. They have two children and two grandchildren.

• **Mohammad and Mansoorah Ahad**, 28767 Via Playa Del Rey.

The Ahads moved here from Golf Knolls. Mohammad is a self employed tailor.

*Or, if you have a new neighbor, call Mary Lou with details so she can connect with them.*

## HoogePodge

**VETERANS DAY:** For the third consecutive year, the *Spring Knolls News* will join the Boosters in honoring all veterans who are, or once did, live in our community. On Nov. 10, the Boosters will hold a luncheon for veterans from all three units. The November edition of the *Spring Knolls News*, will include a list of all current and past veterans — those we know about. We don't want to miss anyone, so please contact **Boosters president Dorothy Vaughn at 951 696-0871 or Ted Vollmer at 951 319-6749** of any names we might miss.

**THEY'RE BAAACK!** If you haven't noticed by now, those pesky *Aedes aegypti*, aka the ankle-biters, have returned. Not that they ever left. The recent heavy rains and higher than usual humidity ushered in by Hurricane Hilary have

led to an uptick, so to speak, of these thirsty bloodsuckers that can spread the West Nile virus and other diseases.

"They are pretty sneaky," says Orange County Mosquito and Vector Control District spokesman Brian Brannon. "The ankle biters are the ones really bugging people the most — they'll bite you five or six times... they are day biters, whereas house mosquitoes will bite at dawn and dusk."

Here are some ways you can control their numbers in your yard, as well as on your skin:

- Search your yard weekly for anything that can hold a quarter inch of water and dump it. For example: plant saucers, tarps, buckets, trashcan lids.
- Empty bird baths weekly.
- Stock ponds with mosquito fish, apply larvicide or filter the water.
- Clean gutters.

- Rinse out pet water bowls weekly.
- Empty the toilet bowl brush holder.
- Flush unused toilets weekly.
- Use repellent on clothes and exposed skin.
- Wear long sleeves and light, loose-fitting clothes while outdoors.

**FRUIT THIEVES:** Another sort of pest, says some Spring Knolls homeowners, is the occasional resident who thinks it's OK to take ripened fruit from trees without permission.

"I have an orange tree and a lemon tree in the side yard--outside my fence," one homeowner lamented. "Last year, someone came by and stripped my trees, and I'm sure that I'm not the only one who has experienced this. This is not in any way acceptable."

Some residents, asked about such theft, say that some past owners, who no longer cared about the fruit, encouraged fellow residents to help harvest them. The best advice? If you see a fruit laden tree, ask the owner (new or old) if it's OK — or still OK — to pick some fruit.

# Last chance; BBQs end on 9/1!

14th dinner at 5 p.m.: Hot dogs, burgers, dessert!

**BEST DEAL IN TOWN:** The Spring Knolls Boosters' final BBQ is Friday, Sept. 1. (See menu on last page).

(Clockwise from top left:)

- Grill master **Lisa McKinney** and **Debbie Adelhelm** prepare burgers and hot dogs.
- **Roberta Jiron** announces that someone's dinner is ready.
- **Lori Miller** sells 50-50 raffle tickets.
- Desserts are a highlight of all the BBQs.
- **Norma Box** adds toppings to her hot dog.

## Calling all writers to help our community!

**By Ted Vollmer**  
Spring Knolls News

Most news publications -- from newspaper or magazine to your newsletter -- rely on readers to strengthen their reports.

Over the past few years, the *Spring Knolls News* has informed you about everything from fun events to dangers you might face (wildlife, wildfires, pandemics and thefts).

There's so much more we all can do. Almost everyone can write, and this is an invitation to you to help us introduce your voice in these columns.

Please scan the following types of articles and/or photos you might consider for the *Spring Knolls News*:

- **Letters to the editor:** These well read opinion or observational articles can be about nearly anything about Spring Knolls, past, present or future.
  - **Recipe Quest:** We've had many, but how about some new holiday or family favorites you can share? Just send your recipes to [tscjnews@gmail.com](mailto:tscjnews@gmail.com) with information on why you love them, and we'll feature them!
  - **Profiles:** Have you met someone in Spring Knolls with an interesting background? Let's see who we can find and tell their stories!
  - **Pastimes:** If you have a special hobby or pastime, write something about it, some tips on starting, and, with some pictures, maybe others can find a new outlet for themselves!
  - **Are you a collector?** Stamps ...coins ... match boxes? Vinyl records? Baseball cards? Comic books? Refrigerator magnets? Snow globes? Antiques? Anything else? Tell us how you got started collecting, for how long you've been doing it, and include a photo or two from your collection!
- How about sending me your ideas and we can chat about them. Hope to hear from you soon!  
[tscjnews@gmail.com](mailto:tscjnews@gmail.com) or 951 319-6749.

## Boosters Bits

## BBQs ending; that means a lot more coming your way!

Unbelievable. We're at the end of Spring Knolls BBQ season!! By the time you receive your news-

**Dorothy Vaughn**

president

letter, our last BBQ will be Friday, Sept. 1.

Hope to see you there! And Happy Labor Day!

Also, our big 2nd Hand Treasure Sale is coming up Sept. 28 and 29. You still have time to clear your closets and cupboards

out and bring your donated items to the Clubhouse. Or, if you need help just give us a call and we'll come and pick them up. Almost anything is welcome except for electronics.

We already have a lot of neat "treasures" that people have parted with but we can always use more and of course, the more stuff there is, the better. All proceeds go to help us put on more events for you.

Have fun checking out the nice things you can get at very low prices. Doors open at 8:30 a.m. on both days.

On Oct. 28, we're putting on our big Halloween Dinner/Dance. Tickets will be available, but no tickets will be sold at the door. There will be prizes for the best costumes! The party will run from 5 p.m.-9 p.m.

For the Nov. 10 Veteran's Day Luncheon, doors open at 11:30 a.m. with a free lunch at noon served to all Knolls veterans and a guest. This is hosted by Spring Knolls Boosters.

On Dec. 9, from 4:30-7:30 p.m. there will be a Christmas Open House with Santa, hosted by the Boosters.

## ELECTRICAL BLAZE

Photo by Ted Vollmer, Spring Knolls News

**HOUSE FIRE:** Murrieta firefighters work the aftermath of a small fire on Aug. 28 at the back of a home on Calle de la Paz. Neither of the two residents of the house were reported injured in the blaze, which was confined to a back room. Cause of the fire, which reportedly began in the attic area, may have resulted from an electrical short.

## Help yourself, your family stay safe by using ‘simple steps’ to prevent wildfires

By Kelly Seyarto

Every year California faces unpredictable and devastating wildfires.

As a retired Fire Battalion Chief and firefighter in California for 35 years, I've experienced firsthand the dangerous and life-altering effects a fire can have on families and businesses.

About 95 percent of California wildfires are caused by human activity. But there are some simple precautions we can take to prevent fires:

- Avoid using power equipment after 10 a.m. or on hot or windy days.
- Stay current on regular maintenance of your vehicle, do not drive onto dry grass or brush and make sure trailer chains and cables are not dragging on the ground.
- Never leave a fire unattended and follow all local guidelines for campfire, debris burning and fireworks.
- Practice safety and find out best practices when target shooting, including find-

ing the right ammunition type and using safe targets.

- Dispose of matches and cigarette butts in a closed container or cup of water.
- Maintain at least 100 feet of defensible space around your home and remove debris from gutters.
- If you see a downed power line, keep at a safe distance and immediately call 911.
- Most importantly, make sure you have an evacuation plan for you and your family if you get an evacuation order due to a fire or other emergency, and leave the area immediately to stay safe and to clear the way for emergency personnel.

Signing up for CALFIRE's incident updates will provide emergency information. They also have resources to help plan evacuations.

— *State Sen. Seyarto of Murrieta retired from the Los Angeles County Fire Department. He served on the Murrieta City Council from 1997 to 2006.*

## Drop, Cover & Hold On drill in Oct. 19 ShakeOut street activities

It's been another jam-packed month for SKERT members. Here's the latest:

We discussed plans for the ShakeOut, and Sandy Bright volunteered to host it on Via Magnolia. We selected the ShakeOut day (Thursday, Oct. 19, beginning at 10 a.m. if you're a spectator or from 9–9:30 a.m. if a SKERT member).

Alan Hanson  
SKERT chair

We'll hold a Drop, Cover & Hold On drill; do a search and rescue; take "victims" to a first aid station, and have CERT members evaluate our response. We'll then go to the clubhouse, hear a critique of our performance, and have lunch for all.

We'll also hold a Block Party at 10 a.m., Oct. 7 at Sandy's home (29935 Via Magnolia). We'll introduce SKERT members, ask residents to update their homeowner's surveys, review the Map Your Neighborhood flier, show best practices in assembling "Go Bags", pass out Ready, Set, Go booklets and have lunch.

Later, we'll offer to mark their utilities with colored tape to help first responders easily find the gas, electric and water shut-offs.

We also learned to use water-style fire extinguishers. Our own retired fire Captain, Ed Carey, ran the show. Lastly, we held a raffle in which all SKERT members won a prize.

As usual, we need both SKERT members and Area Coordinators—feel free to join us at our next meeting, second Wednesday of the month at 6 p.m. in Eaker Hall. We hope to see you there!

# Boosters 2nd Hand Sale just weeks away! Donate!

Clothing, jewelry, artwork, tools, toys, lamps among hundreds of items at Sept. 28-29 event

Spring Knolls News file photos  
**BEVY OF BARGAINS:** You never know what you'll find at the Boosters 2nd Hand Treasures sales. But you will find bargains. On this page are some items on sale during the last Treasures sale in October, 2021. The Boosters ask you to check your cupboards and closets to see if you have anything to make the sale even better.

The first Boosters 2nd Hand Treasures sale in nearly two years is almost here. Everything from garden tools to holiday decorations, art work, and clothing of all sizes and toys for the grandkids will fill Eaker Hall and beyond.

The sale will be over two days, beginning at 8:30 a.m. on both Sept. 28 and 29. Items will be organized into categories such as kitchenware, jewelry, decorations, books, clothing, shoes and artwork.

Organizers welcome your items as soon as you can gather them. If you didn't sell all your recent garage sale things, consider donating those as well.

Sale proceeds help the Boosters provide low-cost or free events. Almost anything is accepted except large appliances and electronics. Donations are accepted until the last week of September.

If you need a pickup of anything for the sale, please call Ted Vollmer at 951 319-6749 or Dorothy Vaughn at 951 696-0871.
