## ASSOCIATION - PRESIDENT – PAT PIPHER

**WANTED** – The Board is still looking for a *Street/Safety Director*. Please contact me if you have an interest and want to know more about the position.

**STREET WORK** – The completion of the 2024 street work was scheduled as follows:

- April 22<sup>nd</sup> – Crack Fill – Via Zapata. There was heavy equipment on Via Zapata but the street was available with caution.
- April 23<sup>rd</sup>, 25<sup>th</sup> and 26<sup>th</sup> - Seal Coating. **THIS PROCESS INVOLVED STREET CLOSURES.** Flyers were received with an attached map of the work areas and the dates for each phase with street closure information; hopefully, if you needed your car during the closure, it was moved the night before the scheduled work.

**PRESIDENT'S REPORT (Continued)**

**RATS, RATS, RATS** – This issue was in last month's *GOLF KNOLLS DIGEST* but needs repeating. We have an influx of rats. Information from the city advised this is a homeowner's problem. I know many of you are already taking preventative measures, but as a reminder, please review the list below and take action if you haven't done so already.

- Stop feeding your pet(s) outside and then leaving the food and dishes.
- DO NOT throw birdseed on the ground. Make sure the seed is in a secured birdseed container.
- Trim palm trees and other "cozy" places where rats like to nest.
- Pick up fruit that falls on the ground every day.
- Plug access holes under your homes.
- Set traps. There are numerous types available at many local stores.

**SNAKES** – If you find snakes in your yard, HENRY has experience in removing snakes and has volunteered to help, so please call him at (951) 202-1130.

**ANNUAL TRI UNIT GARAGE SALE** will be held June 8, 2024.

**ARCHITECTURAL CONTROL COMMITTEE – CAROL ARMSTRONG**

**H**ello Sunshine! At least it is, as of this writing. We have had an extremely rainy winter; good news for our trees, plants, flowers and water bill.

### ACC (Continued)

Unfortunately, the weeds are numerous; please start working to get rid of them. I have a wonderful committee; when doing their curbside inspections and would like to discuss a situation it is always done in a very kind and courteous manner. Remember we are friends and neighbors. Trees will be one focus. Please make sure they do not hang over the street or on your neighbor's yard. Have them trimmed if they do. This is a good time to check for any standing water. Mosquito season is fast approaching; let's try to keep them at a minimum. Your cooperation is always appreciated.

### LANDSCAPE – VICKI DAVIS

**A**s I'm writing this report, it's in April and I'm hoping the rain is gone for now. In spite of the rainfall, a lot has been accomplished. The Irrigation portion of *Excel* came out and inspected and repaired a couple of drip lines; so the system is up and running. Part of the contract with *Excel* is to maintain the weeds in Lot "A"; this has been done. We have it done twice a year.

Thanks to **HILARY WILEY** and her work – the "Doggie Signs" are placed. Please respect where you walk your "Fur Babe" and pick up after him/her!

The Crepe Myrtles that were planted last year from pots to the ground with the hope they would be alive and grow, are doing just that – all trees have new growth! Yeah!! Have you noticed the 'Fire Stick' (off Camino Alba) in the corner by entering the 'doggie area'? In case you may not know plants, 'Fire Stick' is a beautiful 'Firey' plant requiring very little maintenance.

Want to thank my committees, their time and effort is so appreciated. They guide and help in keeping GOLF KNOLLS beautiful! Facility Committee: **GAIL CATUTO, DONNA FORTNEY, BARBARA WESTBROOK – LOT 'A' Committee, JIM CLAYTON – THANK YOU!**

### DIRECTOR AT LARGE - HILARY WYLIE

**H**ello, The '*No Trespassing*' signs have gone up at El Brazo's Lot "A". Please do not go down there. There's a lot of creepy crawlers - ticks, fleas, spiders, poisonous lizards, rattlesnakes, and all kinds of icky things. It is NOT safe for Residents or Dogs! If you walk with your dog throughout the KNOLLS please check your dog when you get home for fleas and ticks.

Parking overnight between the hours of 12:01 AM and 6:01 AM is prohibited without a *Guest Pass*. If it's not your vehicle, contact a Board Member immediately to report it. That's all for now.

### GOLF KNOLLS EMERGENCY RESPONSE TEAM - MICK HEROD, CO-CHAIRMAN

**T**he *SENIOR RESOURCE FAIR* was held last month at Spring Knolls (Unit 1) Clubhouse. Residents from GOLF KNOLLS made up about half of the attendance...GOOD SHOW!

There were over a dozen vendors dispensing helpful information for seniors, including representatives from *Riverside University Health System, Murrieta Senior Center, Synergy Companies, American Red Cross, Hospice of the Valleys, Right at Home in home care, Habitat for Humanity (Brush with Kindness), Mint*

## EMERGENCY RESPONSE TEAM (Continued)

*Health Insurance (Medicare advice)*, as well as IT advice and a *Wills & Trust* expert, among others. In the coming months, we will be sharing some of this information and tips for seniors. Our first one is below.

If we have an unusually hot summer, keep in mind that the *Murrieta Senior Center* is one of the county's "*Cool Centers*." This means that you can stop by and stay cool, without running your own electricity. The *Senior Center* is open Monday-Friday, 8:00 AM - 4:00 PM and while you're there you can socialize, use free high speed internet, play billiards and more. You may also qualify for the *Senior Lunch Program*, with a different menu each day. Contact **CHRISTINE** at 951-877-5950 by 1:00 PM the day prior for reservations.

## COMMUNITY CLUB

### COMMUNITY CLUB PRESIDENT – JEANNE NICHOLS

**W**e had a wonderful *ST. PATRICK'S DAY* dinner. **DOROTHY MANSFIELD** and **SANDY HARVEY** did all the cooking. We were sold out the very first day. The food, the service, the entertainment and the price of tickets were all wonderful.

April 18 was *Trivia Night* and great prizes with a Happy Hour along with treats and snacks. No ticket pre-sale just \$3.00 at the door at 4:30 PM and fun started at 5:00 to 10:00 PM.

Now in May we're celebrating *Cinco de Mayo*. We have a great taco truck coming and good music too. The doors open at 5:00 PM; dinner at 5:30 PM. The cost will be \$10.00 pre-sale. Look for the flyer.

April 4<sup>th</sup> we had a work day that turned into an impromptu Happy Hour. Well the work day never happened but we had a great Happy Hour. So, since we had such a good time, the group thought why not, once a month have a casual get together in *The Cove*. We'll let you know more when we figure everything out.

I want to once again thank all of the wonderful residents who volunteer. Some volunteers are there for every event – and others when they have some time, whoever they are – Thanks again – Any questions???

*Just a thought* – After you read the **GOLF KNOLLS DIGEST** this month, (hopefully you do), if you see you are neighbors of one of our new residents here in GOLF KNOLLS, it would be nice if you would reach out, introduce yourself and welcome them; even invite them to one of our upcoming events. What an 'act of kindness' would that be, folks?

Special thanks to STEVE and MARLENE PHELPS for their exceptional benevolent volunteer work for contacting and meeting the new residents with the **ORIENTATIONS** on Wednesdays from 9:00 AM to 12:00 PM. They are our 'GOLF KNOLLS Ambassadors'.

## WELCOME – (Continued)

Not only do they hand out a wealth of information, distribute the FOBS and certifications, but they make sure the residents have proper information by phone or in their tube. They welcome them, show them the facility; give them history of GOLF KNOLLS ASSOCIATION and shower them with meaningful information. We are most grateful and greatly appreciate all their work, which they perform with great love and affection. Our sincerest thanks for their dedication.

"Be the light in someone's darkness".

## WOMEN'S SOCIETY – GLENDA SMITH PRESIDENT

Hello to All... So nice to see everyone at our April luncheon, and we all enjoyed the presentation by *Animal Friends of the Valley*. Who can resist our furry friends?? For May, our guest speaker will be announced at a later date. Many thanks to **CHUCK DONNELLY**, and his kitchen volunteers; we simply couldn't do this without you guys and gals. As everyone knows, our donations are collected and assistance provided to the Murrieta Food Pantry. The Food Pantry has always shown their appreciation for our community's continued support. As directed by your *WOMEN'S SOCIETY Board*, we have decided this year, your donations will go towards assisting our *Animal Friends of the Valley*. As many of you know, they provide much needed shelter and homing services for stray animals in our community. As in the past, you can find the **Donation Jar** located near the entrance, as you enter the dining area. Your contributions are sincerely appreciated.

The *WOMEN'S SOCIETY* encourages volunteers. If you or someone you know would like more information, please attend our luncheon and ask **GLENDA** or **PAM BYERS**, VP, how you can be involved. We look forward to seeing everyone on **May 20<sup>th</sup>**, as we are moving our luncheon ahead by 1 week so as not to interfere with our Memorial Day celebrations.

"What is the similarity between a grandmother and a website? You can't deny the cookies"

- **HAVEN ROOM** - Our sincerest thanks to **MIKE HEROD**, who is now in charge of our '**HAVEN ROOM**'. This project was in existence in the '80's and in June 1987 it was handled by **BILL DEXTER**, **JERRY KANTER** and **HUGH YOUNG**, requesting crutches, canes, walkers, wheel chairs, portable toilet units, including urinals, blankets, sheets, pillows and cloth slings. **HUGH YOUNG** was in charge and on November 16, 1987, he had a meeting to discuss the purpose of the program and to take a walking tour of the facilities in place. This program was as the name implies, a continuing plan with physical assets in place to establish a haven for our residents in case of a major disaster impacting our area. If you have any medical items that are no longer in use, please consider donating them to the **HAVEN ROOM** so that those in need can temporarily use them. Call **MICK**, (951) 453-4379 to take advantage of this great program.
- **BINGO, BINGO, BINGO** – **MARTI GABRIEL**  
**BINGO** resumed on April 26, 2024, for the first time since January . I want to thank the **GOLF KNOLLS ASSOCIATION (GKA)** Board for its cooperation in allowing us to get a **BINGO** license. We also owe a big thank you to **JANE RECHT**, **GKA**, Secretary, who worked diligently towards acquiring our **BINGO** license. She didn't just submit the paperwork and forget it, she marched herself down to the Licensing Bureau with the required paperwork, paid the fee and submitted the forms. After a period of time, she made some phone calls. She was informed that the process had just left the *Planning Department* and was on to the *Police Department*.  
 On April 23, 2024, **JANE** went to the *Police Department* and picked up the license. It is now displayed in **GOLF KNOLLS Banquet Room**. Yeah, **JANE!!** Thank you so much for all the work you did to bring this to a conclusion.
- **GKA NOTICES ARE CURRENTLY DISABLED** – **MICK HEROD**  
 Thanks to a new anti-spam policy by gmail and yahoo, we are **PROHIBITED** to send out **GKA NOTICES**, effective February 1. There is a new policy requiring **ALL** bulk senders to validate their website address (a.k.a. 'domain'). Since we don't have a website, there's no way to validate. We will investigate using low-cost website builders to avoid this limitation and advise.
- **PROFILES** – **MARTI GABRIEL**  
 A *profile* is a short article describing a person's life, work and/or character. We are all interested in knowing more about each other, which is a way of communicating. You may feel you don't have an exciting life, but you have lived, so you have a story to tell. Call **MARTI GABRIEL** at 951-553-1259.

☺ *God could not be everywhere, and therefore he made mothers.*

• **MARTI'S ALERTS – MARTI GABRIEL**

**BARRY CHARELLE** has an interesting scam he wanted to share with everyone. He received a letter stating that this person was an attorney from Canada, and he was actively searching next of kin for his client, who passed away. They wanted **BARRY** to add his name to this insurance policy; they then wanted him to contact them. The goal of a scam message is to get the user to click on a malicious link or share their personal or financial information. It's important to take your time when receiving such messages, as scammers hope you'll make a rash decision because the message seems urgent.

Scammers try to convince you that you are owed or entitled to money or winnings that you did not expect to receive. The scammer asks you to pay a fee or to reveal your personal information. Hang up if this is a phone call. Do not respond in any way to the sender. In this day and age, we have to be vigilant.

**Alert 2**

The next alert was from James Sebring, Unit Two, who wants us all to be aware of *WASTE MANAGEMENT* pricing.

You will need license/ID picture to email.

• **A HELPING HAND – FROM PETER KOFOED**

I am leaving this communication with each of you. We have had several meetings on the *NEIGHBOR TO NEIGHBOR –HELPING HAND PROGRAM*. There has been an interest in this program by a number of members, but not sufficient number of volunteers to get this program off the ground. The following information will hopefully allow you to make a personal decision on this program. If we don't come with the needed number of volunteers, we will not be able to go forward with the program at this time.

For those of you that have asked, this program is not controlled by the GOLF KNOLLS ASSOCIATION (GKA). As a 'community', GOLF KNOLLS has plenty of the needed and talented participants to make this program successful. Our neighbors in the other two 'levels' are also working on similar programs. I know the people involved and am in communication with them as we all move forward with this type of program. Down the line, there may be a possibility that all three levels merge their programs so we can do more together!

On a positive note, we have now confirmed about ten (10) volunteers to help us with implementing our program (going to resident homes to assist); but we still need more volunteers. If you are interested in volunteering or finding out more information, please call me (**PETER**) at (858) 722-0823. Leave me your full name and cell phone number, I will call you back and we can discuss the 'volunteer' part of this program.

### HELPING HAND (Continued)

In order to get this program moving, we need to create a 'structure' that will allow this committee to receive calls from those that need assistance, and contact the available volunteer that can and will handle the neighbor's issue(s). Just so you are aware, as a volunteer, you will NOT be called every day to provide assistance. With about 15 – 20 volunteers we can spread out our assistance among those interested in helping.

Right now, to move forward, I need at least five to seven volunteers that will be available to receive calls from our residents when they need assistance. I have a person available who will create a connected phone system for those of us who will serve as the first level of response. The resident's call will pivot from volunteer to volunteer (using the same number) until one of us answers the call. That person's job will be to find out what type of assistance is needed; when; and then checking a list of volunteers (all of us will have a copy of those volunteers willing to go to the residence of the caller and provide the various types of assistance).

Once we get the 5-7 volunteers that will receive calls, we can move forward. That means that the 5-7 volunteers, plus SHARON and I, will be in the circle of those that receive calls. I am in the process of asking residents what their special needs for assistance are, so we can respond appropriately for the caller and the volunteer. When we get the 5-7 volunteers that will receive calls, we will then get the phone system set up. At that point we can start to address the needs of those in our community.

I hope this information is helpful for those of you who have indicated to me they want to "help". On a side note, the 5-7 volunteers do not have to be permanent. Once we discover how many persons will be needed to receive calls, we can always rotate individuals in and out of these positions. I hope this makes sense to everyone. If it is not clear, please call me so we can discuss, and answer any questions or concerns.

Thank you for considering being a volunteer!

- **RECALLS - FORD** – is recalling nearly 43,000 *Bronco Sports SUVs* from 2022 and 2023 as well as *Escape SUVs* from 2022, all with 1.5 liter engines. The *National Highway Traffic Safety Administration (NHTSA)* said the fuel injectors can crack, causing gasoline or vapors to leak at a high rate onto hot surfaces in the engine compartment. Owners were to be notified by letter starting April 1. **FORD** said it will extend warranty coverage for cracked fuel injectors so owners who experience the problem will get replacements. Repairs are already available and details of the extended warranty will be available in June.

**STELLANTIS** – Nearly 318,000 **DODGE CHARGER** and **CHRYSLER 300** sedans from 2018 through 2021 are being recalled because the side airbag can explode with too much force and hurl metal fragments at drivers and passengers. Dealers will replace both side airbag modules. Owners will be notified starting May 3. Owners who are concerned about driving their cars should contact the company.

## **RECALL (Continued)**

**STARBUCKS-BRANDED MUGS** - *NESTLE USA* is recalling more than 440,000 metallic *STARBUCKS* branded holiday mugs because they can overheat or break when micro waved or filled with extremely hot liquid. The holiday mug sets were not sold in *STARBUCKS* stores but rather sold on line and in-store at *TARGET*, *WALMART* and at *NEXCOM* the military retail outlet. The U.S. *Consumer Product Safety Commission (CPSC)* said customers should immediately stop using the mugs. They can return them to where the mugs were purchased or contact *Nestle USA* for a full refund.

**LUNCHABLES** – *CONSUMER REPORTS* have tested the popular snack kits known as *Lunchables* and found that the packaged and process foods within have high levels of lead and sodium. Tests were performed on the *Kraft Heinz Lunchables snack kits*, as well as similar products from brands including *Armour LunchMakers*, *Target's Good Gather*, *Greenfield Natural Meat* and *Oscar Mayer*. According to a post on *Consumer Reports* website, "in all cases, the tests found the snack kits had potentially concerning heavy metal and phthalate levels; and they're too high in sodium, especially for kids." The report noted that none of the kits tested exceeded any legal or regulatory limits for food safety. However, five of the twelve tested products would expose someone to over half of the maximum allowable dose for lead or cadmium, according to regulations in California.

- **NOTIFY BOARD** – If you know that an unauthorized under-age person is living in our community, please notify the *GOLF KNOLLS ASSOCIATION Board* with the resident's address so that the Board can check it out.

- **SOME HOUSEHOLD HINTS**

- ☞ Use lemon peels to polish chrome.
- ☞ Use the inside of a banana peel to shine shoes, then buff.

- **ALERTS** – *MARTI GABRIEL*

If you aren't on the *Alert System* and you have an internet email and you want to know what is happening in our neighborhood, give *MARTI GABRIEL* a call at 951-553-1259 or email her at [marilynngabriel@gmail.com](mailto:marilynngabriel@gmail.com).

- **INSPIRATION** – From *LYN MARI*

God says:

*Proverbs 8:10-11 14:19*

:10 Receive My instruction and wisdom rather than gold or silver...

:11 All you desire cannot compare...

:14 Counsel and sound wisdom are Mine...

:19 My fruit is better than gold or silver.

*Colossians:* All the mysterious treasures of wisdom and knowledge are hidden here.

- **SCHEMES, SCAMS, AND FLIM-FLAM** – U.S. taxpayers are expected to get a bigger return this year. According to the latest IRS statistics, the average income tax refund so far this season is \$3,011 up \$123 from last year. Two out of three taxpayers expect to receive a refund. So far, the IRS has delivered more than \$200 billion in refunds through early April. The IRS warns taxpayers to be on the lookout for a new scam mailing that tries to mislead people into believing they are owed a refund. The new scheme involves a mailing coming in a cardboard envelope from a delivery service. The enclosed letter includes the IRS masthead with contact information and a phone number that do not belong to the IRS and wording that the notice is “in relation to your unclaimed refund.” Thousands of people have lost millions of dollars and their personal information to tax scams. Scammers use the regular mail telephone and email to set up individuals, businesses, payroll and tax professionals. The IRS does not initiate contact with taxpayers by email, text messages or social media channels to request personal or financial information; be wary and on guard for these scams

#### **LAST DAY IN MAY,**

*We pause to remember those who died, with so much courage, so much pride. They'll never come back, but memories endure to remind us of **FREEDOM**, fragile, pure. We're worthy of their sacrifice if we pause each day not just on the last Monday in May.*
