WHAT'S NEW?

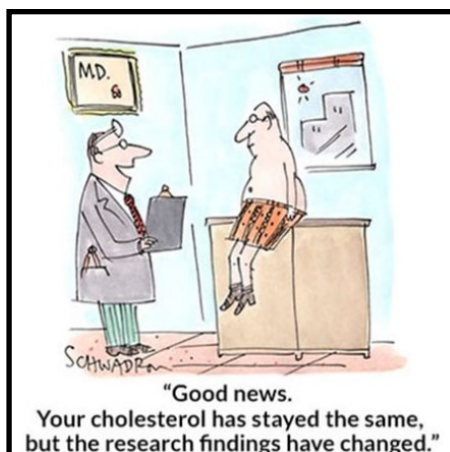

By Mick Herod

Do you need to make a reservation at a GKA Facility? Contact our new Reservations Coordinator, Bev Ritchie (see Page 4).

The Board has made revisions to GKA Fines and Violations 2025, Golf Knolls Association Rules and Regulations, and Architectural Control Regulations and Guidelines 2025. (See Page 3.)

We are in need of one or more volunteers to take over distribution of GKA Alerts (formerly handled by Marti Gabriel.) Contact any Board member for information.

The long-awaited 15/215 interchange project finally opens! (See Page 11).

WHAT'S INSIDE THIS EDITION?

Summer BBQs are coming this month, starting **Saturday, May 10**. Serving begins at 4:30pm and ends at 6:00. Get yer grub on!

Have you been to the Recreation Area lately? There are some exciting changes that have been or are nearing completion, including the new *Game Room* (See *Facilities* on Page 5).

Need an earth-friendly DIY weed killer that is also much friendlier on your wallet? (See *ACC* on Page 5.)

The Community Club has some exciting plans for 2025. (See the article on Page 6.)

The Womens Society is going to the dogs. Well, not really...the dogs from Canine Companions for Independence are coming to the Womens Society Luncheon. (See Page 6.)

The Index of Past GKA News Articles is on Page 8.

FROM THE PRESIDENT

By Jerry Dyer

We had more than the usual attendees at our April HOA meeting which was good to see. If you do not know or have forgotten, we meet the second Monday of each month at 3PM in the Meeting Room.

All of you should have received in your tubes three revised documents: Fines and Violations 2025, Golf Knolls Association Rules and Regulations, and Architectural Control Regulations and Guidelines 2025. If you have not received them, please come to the office on any Friday to get copies.

You may or may not know that Golf Knolls is a landlocked community, and our only means of entering and exiting is via streets owned and kept by the other two adjoining associations. Due to this, GKA pays a percentage of the cost of repairs on certain streets within the other associations. We are currently in negotiations with the other two associations on this matter. Fortunately, GKA has budgeted for this.

Another big issue your board is working on is access to Lot A, which is found on the south side of Via El Brazo. To enter this piece of property we need permission to cross properties owned by Spring Knolls and a homeowner for weed abatement and trimming the foliage. We will keep you informed on this issue.

Our pool will soon be converted to a saltwater pool. This overall will save our association money on the cost of chemicals, which continues to rise. Plus, your skin will be softer.

In closing, I wish all the mothers in our community an incredibly Happy Mother's Day! Without our mothers where would we be? 

GKA Alerts

The Alert system was created as a voluntary email 'blast' to Knolls residents providing urgent communications. The process of notifying residents may change (possibly as a SMS Text Message or perhaps via the GKA website (gkahomes.com)). We are currently recruiting one or more volunteers to take over the Alert system. Training will be provided. Please contact any Board member if you're interested in joining the team. 

FROM THE VICE PRESIDENT

By Vicki Davis

It's May, already? Time sure flies here at the Knolls, especially when a news report is due. Hope this finds all comfortable, in good health and happy.

Escrows had 1 closing in March with a year to date of 3 closings and 4 open escrows. Hope it picks up, as I see a lot of For Sale signs up.

At the general meeting I made a motion to send 2 lots to the attorney for liens. The 2 lots that have been in default for years are still in default. I've been in touch with the loan servicer who had a landscaping company come out and they really did a great job. The second is for sale and I called the realtor to make the property more attractive for the sale, so he's going to work with the mortgage company to hopefully get this accomplished.

On the third property we have a lien on, the mortgage company has filed a foreclosure and it's going up for auction. Hopefully, there will be some dollars left for us.

Let's all be kind and respectful of our neighbors in keeping our dogs from excessive barking or in their yards, and picking up their droppings.

Speaking of excessive noise, please keep the volume of TVs and music low, as we're getting into warmer weather with open windows and not everyone appreciates what you like to watch or listen to. 

SECRETARY'S REPORT

By Laura Bryant

Hello Neighbors. Great things are happening in our community. We would love to see you at the next open Board Meeting on Monday, May 12th at 3:00 pm. We also welcome your comments and questions. Refreshments provided. Come check us out! 

INSPIRATION

By Lyn Mari

Psalms 119:59 I thought about my ways and turned my feet to Your testimonies.

Isaiah 55:9 for as the heavens are higher than the Earth, (GOD says) so are My ways higher than your ways and My thoughts than your thoughts. 

DIRECTOR-AT-LARGE By Terry Potts

CALLING ALL ARTISTS!!! If you have an artistic talent then help create the new Golf Knolls logo. Keep it business-like (nothing involving the sport of golf), and get creative. The winning design will be selected at our next general meeting in May. So email that artwork to me at admin@gkahomes.com. Then come to the meeting and vote for your favorite design.

I have some sad news to pass on to everyone. According to Marti's family, Marti is no longer able to do Alerts and we need someone to take over from Marti. We are talking sending out a batch email to all of the people in the alert system of all three HOA's. We are kicking around the idea of going to a SMS system that sends out text messages like you get when there is an emergency. So if any of you has prior experience in this field from when you were working, we could really use your help. You can contact me through the same email above. Finally, I'd like to

announce that Bev Ritchie has taken over for Beth Harvey with Reservations. If you've been working with Beth, please contact Bev if you have questions about your event. Beth has made sure that Bev is caught up on everything. I want to welcome Bev and know that Reservations is in good hands!

STREETS AND SAFETY By Brian Chute

Spring is in the air and your Streets & Safety team is hard at work!

Safety First! Reminder to keep your doors and windows locked. We had an issue with unlawful entry to a home recently and if the windows had been locked, it would have been mitigated.

PLEASE stop! We continue to see stop sign runners in Golf Knolls. You or your visitors probably don't want a notice or fine. Please obey all stop signs and limit speed to 20 MPH.

Money, money, money. Golf Knolls received payment of \$5,000 for DISH to connect to our cell tower – great news. The streets are paved with gold!? [continued next page]

The summer Paving project remains top of mind as we work through numbers with Units 1 & 2.

New guest parking placards are on our “to-do” list. This will provide a laminated hanger for residents with temporary overnight parking needs.

Lastly, we’ve noticed debris, dirt, green clippings, landscape rocks, etc. in the gutters in front of units. Please remove and sweep up in front of home on a regular basis. You and your neighbors will appreciate the neatness and tidiness.

Thank you! 

FACILITIES MANAGER, 2.0 **By Don Fortney**

We have new upgrades to tell you about. New 8’ long window blinds were installed in the Banquet Room, giving the room a light, crisp look. A MUST-SEE is our new pull-down projection screen which replaced our worn-out screen. The new screen has been moved closer to the audience for a better viewing experience.

Two new faucets, previously leaking, were installed in the ladies bathroom, along with a complete overhaul of fresh cabinets and new countertop. Look for a new calmer coat of paint in the near future.

The Billiards Room has a new name, the *Game Room*, with the addition of two ping-pong tables and a new dart board.

Golf Knolls will not provide any darts; each player will be responsible to bring their own, and not leave any behind.

The outdated back wall received a fresh coat of paint from our cottage resident and excellent facilities cleaner, Kellie Gravello. Room chairs were also upgraded, for more comfort.

The outdoor spa is heated after its cost-saving winter hiatus, and two sets of bag toss (corn hole) will be set out for play near the north gate #3. If all these different activities catch on, teams can be formed for some friendly competition. Perhaps a tournament or two is in our future.

Finally, six new ceiling fans will be installed in the patio area, delivering more wind to chase

off those pesky flies, while cooling off the clientele at the same time. Barbecue season is upon us, with a start date of Saturday, May 10th at 4:30 pm.

Come enjoy your GKA facilities. 

ARCHITECTURAL CONTROL **By Jane Recht**

Hi everyone, I hope you had a great Easter or Passover. Did April showers bring you May flowers, or just a continuation of a never-ending healthy crop of weeds?

I know at my house the battle is on. Just keep consistent and try to win the weed battle as this is going to be a difficult year. There are many weed killer formulas out on the internet. Try using one of the homemade weed mixtures. The easiest is 1 gallon vinegar with a ¼ cup of dish soap mixed in a sprayer. (Notice no salt is added and the vinegar is not diluted with water.)

Salt, when added to the mix, tends to stay in the soil and prevents all plants from regrowing. So be careful how you spray. The overspray will kill healthy plants. The soap functions as a surfactant, enabling the vinegar to adhere effectively to the plant. Vinegar contains acetic acid, which breaks down cell walls and strips moisture from the weed/plant.

I want to thank those who respond to the Curbside Notices and thank you for helping to keep GKA in top form. I would also like to thank my Committee team members, Don Fortney, Marlene Phelps and Hilary Wiley for the great job they are doing.

I would like to let folks know we are down a team. So, if you would like to get involved and join the ACC team, please give me a call at 951 763-9676. We do on-the-job training. 

HAVEN ROOM **By Mick Herod**

Need a mobility aid? Items such as 4-leg walkers, Rollators (walkers with seats), shower chairs, potty chairs and wheelchairs are usually available.

Most of these items are donated by GKA residents who no longer have use for them. To donate (or pick up) mobility aids, please call or text me (my contact info. can be found on Page 2) at least 24 hours in advance. 

COMMUNITY CLUB By Pam Byers

Greetings and Happy Spring. I love this time of year. All the fresh blooms and the beautiful sunshine.

The Community Club celebrated the season with a lovely spring brunch. It was a beautiful day, and we were able to enjoy the outdoors on the Cove patio. The food was plenty, the weather was perfect and much to my surprise, many enjoyed the egg hunt. Several folks also decorated hats to participate in the contest for the best decorated hat. Our own Frank Lippman won for the men. He and his wife were so adorable in their matching bunny caps.

The crowd was small, but the enthusiasm was big. I think this will become an annual event. Many prizes were awarded and I'm pretty sure a good time was had by all.

Thank you to my Rock Star Team for pouring every bit of energy you could muster up into this event. Linda Fuller, Leslie Larson, Tom Larsen, Norm Byers, Gail Catuto and Laura Weiner, you're the best!

Barbecue season is upon us, and we will enjoy a much-needed reprieve until July 4th. Heads up, decorate your cart to win a prize.

REMEMBER Community Club Meetings are held on the second Wednesday of the month at 1:00 in the Meeting Room. We really need community support as well as support from our Board Members. Without a Community Club, we would lose our 55+ status. /

BINGO!

Remember that doors now open for Bingo at **4:30pm**. Get there early and have a few minutes to visit before the games begin.

Something new for Bingo players: Do you have trouble seeing the Bingo Board display, especially when you're not sitting directly in front of the Board? The Bingo Board can now be seen on the two TVs on the side of the Banquet Room nearest the parking lot. This happened due to a new camera that is pointed at the Bingo Board and displayed on the two TVs. Feel free to sit wherever you wish and not miss out on the action. /

WOMENS SOCIETY By Glenda Smith

Hi, it was great to see everyone at the April Luncheon. I hope everyone had fun with their sack lunch...it was so fun. Our speaker was from Canine Companions for Independence. (Company photo is on the top of Page 15.)

Our May speaker will be Drew Farell from Sew Treasured Quilt Shop in Murrieta. She will be talking about antique quilts. We will be having Chinese Chicken Salad for lunch. I want to thank everyone who brings desserts...it really helps. Thank you. /

HELPING HANDS By Peter Kofoed

I have something simple and wonderful to share with all residents who are interested in "Forgiveness!"

I am currently working with a Holistic Kinesiologist, who has done wonders for me. He is an exceptional person. Recently he created a "Forgiveness Technique" that is absolutely amazing! It is truly life-changing! It involves a "Forgiveness Prayer" that is self-healing. I would like to share this "Forgiveness Prayer" with anyone in our community who is interested. I have done this already with several people. They were amazed with how this "Prayer" heals! Starting this process often leads to healing with a variety of other people in your life (e.g., it could involve someone who has "wronged you," someone who has "left or abandoned" you; it can also involve family members). It will cost you nothing. The process usually takes about 30 minutes. If interested, I can schedule a visit and come to your home, or you could come to my home if you feel more comfortable. It truly was life-changing for me. It can be the same for you!

If this sounds helpful and interesting, please feel free to call me at my cell number below. I can explain and answer any questions, and if you are interested, schedule a visit with you.

I have dedicated myself to helping and healing others. I would love to share this wonderful "Forgiveness Prayer" with you!

AMERICAN FLAG ETIQUETTE

By Frank Lippman

How to Display the American Flag

According to the recommendations in the U.S. Code, (*4 U.S. Code § 8 - Respect for flag*) the American Flag should be displayed with respect and care.

- The Flag should not be flown with the union down (except for in rare emergencies as a sign of distress).
- The Flag should not touch the ground, floor, water, merchandise or anything beneath it.
- The Flag should never be carried flat or horizontally but always aloft and free.
- The Flag should not be dipped to any person or thing.

How to Respectfully Use the American Flag

American Flag coffee cups, sweatshirts and curtains are not patriotic; on the contrary, U.S. Code considers these to be disrespectful toward the Flag:

- The Flag should never be worn as apparel or used as bedding, curtains or covering for a ceiling.
- The Flag should not be used for advertising purposes. For example, the Flag should not be embroidered or printed on cushions, napkins, boxes or anything else that is discarded after temporary use. Advertisement posters should not be attached to a flagpole.
- The Flag should never have words, designs or any other mark drawn or attached to it. It is not respectful to “get creative” and make new art from a US Flag.
- The Flag should not be used as a costume or athletic uniform.
- The Flag should not be used for delivering, carrying or receiving something.

How to Respectfully Retire an American Flag

When the flag becomes old and/or torn or tattered, take the flag to a fire station for proper disposal. In Murrieta, Fire Station #1 at 41825 Juniper Street accepts flags for the proper disposal ceremony. If you cannot take it to the fire station, call Jo at 951-973-4430 (leave a message if necessary). She will

come pick your flag up and take it to the fire station on your behalf. 

NEW RESIDENTS' ORIENTATION

By Steve & Marlene Phelps

All residents are required to attend a New Resident Orientation within 30 days of close of escrow. This applies to renters too! The Orientation Meeting is very important, as you will not only learn a great deal about GKA, but more importantly, you will be issued a gate fob, allowing you access to enjoy all of the facilities.

If you've not yet attended an orientation, please call 760-214-3553 to schedule your orientation. It lasts about 1-1/2 hours and includes a facility tour. 

EMERGENCY RESPONSE TEAM

By Mick Herod

Did you feel the 5.2 earthquake near Julian on April 14? It was along the Elsinore Fault Zone which runs south from Glen Ivy, through Lake Elsinore, Murrieta and Temecula and ends just south of Julian. While we don't live near the “Big Daddy” San Andreas fault, it can definitely influence other faults nearby.

www.ready.gov/kits is a great place to find an emergency checklist for your “go bag,” which you can “grab and go” for rapid evacuation.

A few of the essentials you should be adding to your “go bag” include the following types of items to self-sustain for up to three days:

Flashlight with extra batteries (power might be out)

Food (Survival or protein bars work well)

Water (1 gal. per person per day)

Personal Toiletries

Cell phone, charger and battery bank

First Aid supplies

Radio (battery or crank)

Pen and notepad

Emergency Plan (out-of-state contacts) 

UNSUNG HERO By Don Fortney

I would like to recognize Beth Harvey as an unsung hero to our community. Beth recently served as Director of Reservations, maintaining the flow of our very active facilities. This is quite a handful, because our meeting rooms and banquet hall are very desirable and reasonably priced for a multitude of events from wedding receptions, celebrations of life and memorials for a loved one. Her duties included both a pre- & post-walkthrough of the particular room the event was to take place.

She was very courteous and professional with each client, and I would hear many kind remarks about her helpfulness. In addition, Beth has helped the community with her skill of marketing something of value that we wanted sold, batting around 90% success rate. She is an expert designer of flyers that go out to each homeowner, with the goal of informing and encouraging you to come join us at a sit-down dinner with dancing or a Super Bowl Party.

Ask Beth to help out on a project. If she can, she will.

ANOTHER UNSUNG HERO

"It's all about the Golf Knolls Community"...that's Jane Recht's motto!

Having served on the GKA Board multiple times, Jane was ready for a break and decided to retire this year...but alas, a need arose and Jane jumped in to fill the ACC position.

Besides sitting on the Board, she has headed -up and/or taken an active part in many Committees in GKA. Her knowledge of our CC&Rs is impressive.

Not only has Jane created activities for member participation, she is also eager to participate in and support other activities offered by residents. If it isn't really her "cup of tea, she goes for it anyway, being a quick learner and great addition to any group.

What's so special about Jane? It's her quiet, calming nature. She is willing to listen to and appease an irate resident, using her soft-spoken mannerism to mellow a heated debate, and in interacting with Board

members she uses common sense in making decisions for the community.

Jane Recht is a mainstay in our community...we are so lucky to have her. Thank you for your service, Jane.

MAY DAY or MAYDAY?

By Mick Herod

May Day (May 1) is a mostly European celebration and may include a dance around the *Maypole*. In some cultures it signifies the arrival of Spring, as it occurs halfway between the Vernal Equinox and the Summer Solstice. There are other theories of its origin, dating back to the 14th century.

Mayday (one word) has no connection to the celebration above. It's an international distress signal for aircraft or watercraft. Typically repeated three times (so as to avoid confusion), it signifies that a life-threatening emergency is imminent or in progress. In aviation it notifies air traffic control to clear the airspace and prioritize the flight for navigation or landing. For watercraft it notifies the Coast Guard and all nearby ships of a developing emergency.

The word *Mayday* originated in the early 1920s and was created by Fredrick Mockford, a radio officer in London. It comes from the French phrase "*m'aider*," meaning "*help me*." A less-than-urgent radio call is *Pan-Pan*, short for "possible assistance needed."

SUMMER VISITORS

Our area hosts several different species of migratory birds throughout Spring and early Summer. Some of the more colorful birds include (from left to right in the images) the Western Bluebird, Hooded Oriole and Western Scrub Jay. They look even better in full color on our new website, gkahomes.com. Just look under the *Newsletters* tab for the May edition.

NEW 15/215 NOTRBBOUND INTERCHANGE OPENS

After two years of construction, the new 15/215 northbound interchange is finally opening! What might be news to some is the fact that both northbound on-ramps at Winchester Road will allow access to not just the 15 but also the 215. Once you enter either of the Winchester northbound on-ramps, you will need to make a choice—use either the left lane to merge onto the 215 or the right lane for the 15 (using the flyover at far right). For the 15, you'll go “up and over” the 215 and won't be merging onto the main lanes of the 15 until just before Murrieta Hot Springs Road.

Notice the solid barrier between the main lanes of the 15 and 215? Drivers on the 15 wanting to transition to the 215 will need to merge onto the 215 before passing the solid barrier. Otherwise, they'll be staying on the 15 and will have to exit to change freeways at Murrieta Hot Springs Road on-ramps. Be aware, as drivers will need to become accustomed to the new traffic patterns.
