WHAT'S NEWS?

By Mick Herod

There will be NO voting for 2026 HOA Board Members. That's because the number of nominations (three) was less than (or equal to) the number of openings (four). More about the election process on Page 8.

Daylight Savings Time ends on Sunday, November 2 (see Page 15). Get that extra hour of sleep on Sunday!

Read about the celestial events that will be occurring this month on Page 9.

There is more road construction coming to Murrieta Hot Springs Road (not just the road widening project). It will be at Alta Murrieta Drive, leading into the Sam's Club shopping area. Get the details on Page 8.

Did your trash/recycle/garbage bin(s) not get picked up? See Page 3 for a solution.

Help support our active service members (see the flyer on Page 7).

FROM THE VICE PRESIDENT By Vicki Davis

Hi one and all!!

Well, it's beginning to feel like Fall!!! I love it !!

My report is somewhat short this month, but hopeful!

Escrows: 1 closing for Sept.

Total for the year: 12

Collections: Don't have a count as of now, as I get the delinquents about the same time as you're reading this on Nov. 1st

All delinquents for the 3rd quarter were paid, so hopefully for the 4th quarter we won't have any!

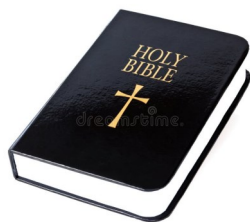

Good news on foreclosures: 2 up for sale with realtors. 1 has been long-term. Such a relief!

1 other foreclosure up for auction on Nov. 12th ...fingers crossed!!

1 lot has a lien.

So, a total of 4 lots with either a lien or a foreclosure. Let's hope these problem lots are a done deal by the end of this year!

I don't know about you, but Thanksgiving is such a special holiday for me. I reflect on all that I'm grateful for and 1 that fills my heart, is Golf Knolls and all that it has given me! Many blessings to you and yours, HAPPY THANKSGIVING !!!!!

INSPIRATION By Lyn Mari

Thanksgiving. An attitude of gratitude!!

Psalms 69:30 *I will praise God's Name with song. I will honor, glorify, magnify, and exalt Him with Thanksgiving.*

Revelation 11:17

We give You thanks oh Lord God, Almighty, the One who is, was, and is to come.

FROM THE SECRETARY By Laura Bryant

Hello my friends! I hope you are enjoying the cooler temps. Makes it easy to work outside and prepare for the fall/winter season.

It is also our election season for the new 2026 Board. I hope you all consider throwing your hat in the ring. We seem to recycle the same Board members over the years and we need new perspectives and input. As with every year, if we do not get interest in participating, we are left with having to research outside management companies to help take on some of the responsibilities. What that means for us is, we absorb that cost through our HOA dues. We have been favored with low HOA dues for years now, let's not ruin that. Please consider taking part in contributing to our community, if only for a year. Any bit helps.

Thank you all.

[Editor's Note: This article was received early in the Board Election process and nominations have since been closed.]

TALKIN' TRASH By Hilary Wylie

If Waste Management (our trash collection service) fails to pick up your bin(s), leave them in the street. Then, before 5pm that day, call Waste Management at 1-800-423-9986.

Tell them the location of the missed service and they will send a truck out to pick up the bin(s) the next day. Their office hours are 8am to 5pm, Monday through Friday.

Thank You for your attention to this matter.

This has been a Trashy Announcement and I approve this message.

DIRECTOR-AT-LARGE

By Terry Potts

So much is going on in this month of November. A time for family, friends and thanks. It is also a time for remembering our Veterans, those we've lost, those who have served, and those that are serving now. Upon swearing in, each vow to lay down their life to protect all of us and our country's way of life, a vow each active AND veteran takes to heart for the rest of their life. The little things we can do in return for them is to support our active-duty soldiers and sailors during the holidays, the loneliest time of the year for each of them. Being thousands of miles from home during the holidays is so rough on them emotionally and mentally that they can forget what they are fighting for. How you can help is simple:

The City of Murrieta is sponsoring a drive to send essentials to our troops, and our Banquet Room is one of the drop off points for donations. On our website and in our newsletter (see Page 7) is the flyer for this event with ideas on what you can gather up to donate to the troops. What I'm asking for is to take a few minutes out of your day and rummage through your kitchen cabinets for an item or two of the items listed on the flyer. Or maybe you can add something to your shopping list next time you go to the grocery store. I know it may not seem like much, but, speaking from experience, being thought of even by perfect strangers is uplifting during this time of year. So please do what you can and thank you for participating. May you all have a Happy Thanksgiving, and your family be safe. 🚩

Happiness is having a large, loving, caring, close-knit family in another city. —George Burns

ARCHITECTURAL CONTROL REPORT

By Jane Recht

Hi everyone. Don't you love our fall weather with cool nights and crisp mornings? If you're a vegetable gardener, you should have put your winter vegetables in about 2 weeks ago. That would include lettuce, beets, peas, radish, cabbage, onions, garlic, leeks, artichokes, and other winter or cool season crops.

Winter is the time to do the major pruning of our landscape plants. I wait until the leaves start to fall on my deciduous trees and shrubs to vigorously prune. Winter pruning allows you to shape and size plants, minimizing the stress or shock to the plant. It also encourages healthy growth and promotes better air circulation that reduces the risk of fungal diseases.

The ACC is hoping you will take the time and look at your trees and shrubs. Please prune and make sure your plants remain on your property, off the neighbor's property, and not extending into the roads. We get lots of complaints from GKA residents who do not want to clean the leaves and debris associated with plants that are not theirs.

Keep your thumbs green and enjoy the season. Before you know it, we will all be busy with the holiday season. Gardening is a way of showing you believe in tomorrow. It reflects hope, patience, and a promise of better things to come. 🚩

STREETS AND SAFETY

By Brian Chute

"Who you gonna call?" *Ghostbusters* is appropriate for ghosts, but drivers possibly under the influence should be called into Murrieta Police. Safety and timeliness are important. The HOA is very concerned about these issues, however, we are not first responders, nor law enforcement.

Snakes? We've had those calls too. Please report animal issues (friendly or not) to Animal Control Services at (800) 375-8218.

Thank you. 🚩

FACILITIES

By Don Fortney

Four salt cells were installed in late September, initiating the salt chlorination system to our pool and spas. Refined salt was added to all three bodies of water, starting the process of converting salty water to chlorine. Properly managed, algae is eliminated, which results in clear, soft water, around the clock.

Two brand-new sets of washers and dryers were delivered in early October. These machines are state-of-the-art, with one set in classic large load size, the other set king size load, 30lb. capacity. All four machines are numbered for easy recognition, and equipped with debit/credit card readers. An easy-to-use phone app, Wash Connect, is available to download, assisted by easy-to-follow signs mounted on the wall.

The old library in building #2 is scheduled for demolition on October 27th, with a 4-day time frame to complete. Details include removal of the raised floor and metal railings, widening of the hallway to bathrooms and converting the existing first bathroom for ADA compliance. Lastly, the non-working, wall-mounted drinking fountain will be removed.

Over in the Banquet Room, existing bathrooms #3 & #4 are being converted to ADA compliance. Details include new lever-style door handles, partition walls reduced or removed, and sink p-traps wrapped for safety. Bathroom #3 is slated to be repainted in the color of the Banquet Room walls.

Repairing the indoor spa is a work in progress due to the severity of leaks detected. Repair details include demolition to the spas concrete perimeter, based on the inability to isolate the exact location of the leaks. Working on the spa will commence once we are satisfied with the salt chlorination process recently installed to all three pools. Comments of water clarity, temperature and soft skin after a swim will soon be commonplace. 🚩

COMMUNITY CLUB By Pam Byers

Community Club is busy working on upcoming events and preparing for the 2026 board.

Ballots for the 2026 Community Club board have gone out. Final entries will be collected at the November 12 meeting. If you would like to nominate someone (with their permission) or yourself, that will be the cut off.

Please remember to vote.

We have a second Medicare information event scheduled for November 6. The event is in the banquet room at 10:00 am. Mary Baker will be the representative holding the meeting. She's not selling anything; she is very knowledgeable and can help you navigate the Medicare programs for 2026. Each year there are lots of changes and she can guide you into the right program.

She will provide snacks as well. Please RSVP to Mary at 858-335-0605 or me at 951-285-8125.

November 8 we are honoring our veterans with dinner and a program. Pat Pipher has done an outstanding job in coordinating the evening. It's going to be very special, and the Community Club is looking forward to spoiling our veterans.

Mark your calendars for Sat. Dec. 13 for our cart parade. Line up at 5pm and leave the parking lot at 5:30.

Join us back at the Clubhouse for pizza, soda, cookies, Mr. and Mrs. Santa, 50/50 and games and prizes. \$3 at the door.

Support bingo on the 4th Thursday of the month, except in November. Due to the thanksgiving Holiday, Bingo will be the 3rd Thursday, November 20th. I encourage you to come out. It's a lot of fun. Tom and Leslie have done an outstanding job.

Please consider volunteering. If we don't get help, we can't provide events. It's always the same faithful helpers who are so appreciated. This is your community. Get involved!!!!

"Volunteering is the ultimate expression of Community Spirit"—Colin Powell. 🚩

WOMENS SOCIETY By Glenda Smith

Hi to all. We had a great October luncheon! I want to thank Jackie Jones and Lyne Saward for putting on our lunch for us. We had a potato bar with all the fixings plus chili and a salad as well as wonderful desserts...yummy

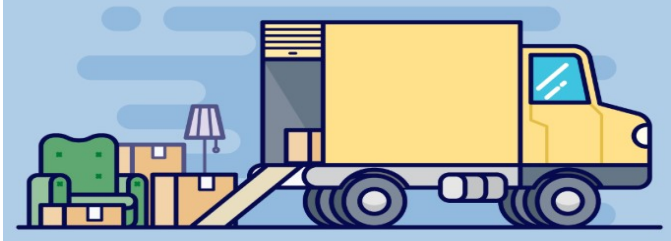

We celebrated our 90+ year-old young ladies. They were treated like queens.

I want to thank all the ladies that help make these lunches possible.

There will be NO Luncheon in November, so that we can get ready for our December 15th Christmas party.

Have a great Thanksgiving. 🚩

WELCOME NEW RESIDENTS By Linda Fuller

2026 HOA BOARD ELECTION

By Mick Herod, Inspector of Elections

There will be NO balloting this year for the 2026 HOA Board. As was the case last year, whenever the number of vetted nominees is equal to or less than the number of openings, no balloting is required. This is considered an uncontested election. The Board simply appoints the nominees by a process called acclamation.

In this election cycle, there are four openings on our HOA Board for 2026, due to their (two-year) term limits expiring in January. The By-Laws state that Board members “terming out” are eligible for a second two-year term if they so choose. After a total of four consecutive years served, they must take at least a one-year hiatus from the Board.

The four current members terming out are Jerry Dyer, Vicki Davis, Frank Lippman and Judy Kirkpatrick. Excluding Vicki Davis, the other three tendered their nominations for 2026 and were subsequently vetted. These three, and one to be later named by the Board, will be added by acclamation to the 2026 Board after the (open) Annual Meeting, scheduled for Monday, January 12, 2026.

The following day, the new Board will conduct an open meeting and individual positions will be determined by the new Board. If any position is contested by two or more Board members, a secret vote by the Board will be conducted to determine the outcome, administered by the Inspector of Elections.

The 2026 Board members and their respective positions will be announced following the Tuesday meeting.

EMERGENCY RESPONSE TEAM

By Mick Herod

The ERT is continuing to train and equip our members to respond in any park-wide emergency.

Watch for an announcement for a community meeting early next year detailing our 2026 plans.

GOT (HAZARDOUS) WASTE?

Got (Hazardous) Waste?

Take advantage of a FREE drop-off location for **ABOP**—that's **Antifreeze, Batteries** (auto or household), **Oil** (and filters) plus **Paint** (latex and oil-based). Note that these items cannot be disposed of in your household trash.

Riverside County operates the ABOP program every non-holiday Saturday from 9am to 2pm. The facility is located in the County Yard on Jefferson Rd, just north of Murr. Hot Springs Rd. You don't even need to get out of your car...just show your ID* and open your trunk. Employees will handle your waste.

*You must be a Murrieta resident to use this service.

MORE ROAD CONSTRUCTION ON MURRIETA HOT SPRINGS RD.

More road construction will be taking place on Murrieta Hot Springs Rd. There will be a new right-hand turn pocket leading into the Sam's Club shopping center at Alta Murrieta Dr., adjacent to the Shell gas station.

Included in this project is pavement overlay from Alta Murrieta to I-15.

No specific start date is mentioned, but a project sign is posted near the future location of the turn pocket.

CANADA GEESE RETURN

By Beth Harvy

Those of us who are lucky to live along the golf course have noticed that the Canada Geese are returning. The geese are beautiful, intelligent birds and they can bond with humans, particularly through imprinting in goslings or through positive interactions like regular feeding and gentle care for adult geese. Geese are social animals that recognize individuals, and a person who consistently provides food or a gentle presence may be approached with less fear and develop a trusting relationship with the geese.

If you want to feed them, provide;

Grains like oats

Corn

Wheat

Leafy greens such as lettuce, kale, and dandelion greens

Vegetables like peas, carrots, and cucumbers

Offer these foods on the ground; avoid throwing them into the water. While geese will eat berries and some insects, **never feed them bread, moldy food, or toxic items as these are unhealthy for them.**

Feeding them bread, moldy food or toxic items causes "**Angel wing.**" In a Canada Goose this refers to a permanent wing deformity caused by a poor diet, typically human-provided bread and crackers, which results in the wing joint twisting outward, making flight impossible. The condition is caused by the fast-growing primary flight feathers straining the developing wrist joint. While early intervention with wrapping the wing to support the developing bones can sometimes correct it, adult geese with angel wing are permanently unable to fly.

So, enjoy these beautiful babies and if you choose to feed them, please consider the healthy list above. 🚩

LOOKING UP IN NOVEMBER

The first full moon of the month, the Beaver Moon, is so named because beavers build their dams during this time of year. It is yet another Supermoon, which will occur on Monday, November 5. Moonrise is at 6:09pm.

What's a Supermoon? That's when the Moon appears larger and brighter than regular full moons because the Moon is at its closest point to Earth. This is one of eight Supermoons in 2025, with the next one occurring on December 4th.

You'll have another chance to see a meteor shower this month, on November 17/18 (Leonids) with up to 15 meteors per hour. The moon will only be 5% full so, clouds notwithstanding, it should be a good night to view. Look to the south.

Now, if you really want to see a meteor shower, your best chance is THE biggest shower of the year, the Geminids, overnight on December 13. Peak counts are 75 meteors per hour. Plus, it gets dark early and you won't have to stay up into the wee hours to see the king of the meteor showers. The moon will be about 30% full, allowing you to see all but the faintest meteors. You can begin looking as early as 8pm.

Some possible viewing spots with darker skies can be found between Temecula and Hemet (off Winchester Rd.) or perhaps around Lake Skinner or Vail Lake. Take your RV or trailer and enjoy! 🚩

NEW RESIDENTS' ORIENTATION

By Steve & Marlene Phelps

All residents are required to attend a **New Resident Orientation** within 30 days of close of escrow. This applies to renters too! The Orientation Meeting is very important, as you will not only learn a great deal about GKA, but more importantly, you will be issued a gate fob, allowing you access to enjoy all of the facilities.

If you've not yet attended an orientation, please call 760-214-3553 to schedule your meeting. It lasts about 1-1/2 hours and includes a facility tour. 🚩

"Hotsprings Handyman"

Golf Knolls Resident

20 Years Experience

Quick and Affordable

Recommendation:

Jim Shurtz and his wife highly recommend handyman **Edward Espinosa**, Exceptional LLC, for small and large projects. He has successfully completed ceiling popcorn removal, roofing repairs, window replacements, drywall repairs, room remodel, garage remodel, flooring, painting (interior & exterior), closet remodel, haul away, patio cover dry rot repair, rock landscape, electrical, fan installation, and much more for us over the years we've known Edward. His pricing is very reasonable. Please call Edward at: 9514450630

BINGO!

- **GKA Bingo** is generally on the 4th Thursday of the Month (except Nov.) in the Banquet Room. The next Bingo night is on **Thursday, November 20**. Doors open at 4:30pm and bingo cards are sold until 5:30pm.
- A Power Ball number is drawn at the beginning of each Bingo session. If Bingo is called and it happens to be the Power Ball number, then you win whatever is in the Power Ball jackpot (up to \$250!).
- Some games have payouts up to \$120. Somebody has to win, so why not you?
- Bingo is a fun activity. Bring a friend to enjoy an evening out. There's also a 50/50 drawing. The more players, the bigger the pot!

The Sun City Travel Club hosts day and multi-day trips. For more information or to sign up, contact Nyla (951-757-6760) or Debbie (858-442-1677) between 9am-7pm. Trips depart from and return to Sun City.
