RECOMMENDATION :

Guess who we have living on Calle Del Buho. Chef Sonia!!!! She cooks South American - Mediterranean Fusion lunch and dinners. We can call her for a reservation and be served in her home and watch her cook as we sit and enjoy or we can pick up our cooked meal and take it home. She will deliver in our neighborhood free of charge. Sonia also caters for all occasions. We have our own private mini restaurant & private chef living in our community!!! Some of you can walk to her house. Call Sonia for more information: 310-989-4385. Ed and I prefer to support our local community. Gay Hart-Brewer
