SPRING KNOLLS NEWS

November, 2026 Happy Thanksgiving! Murrieta, CA

Time for many thanks, blessings

By Sandy Vollmer
Spring Knolls President

November gives us many ways to express our gratitude — to our veterans, to our loved ones, and to the people who serve and strengthen our community.

We begin by thanking and honoring our many veteran heroes. Each year, the Booster Club provides a wonderful free lunch for veterans and their guests from all three Knolls units. The event is a meaningful way to show appreciation for their sacrifice and service. Please see the Booster article on page 4 for details about the Nov. 10 event and the list of Spring Knolls veterans on page 5.

Sixteen days later, on Nov. 26, Thanksgiving gives us another chance to express gratitude and share blessings with family and friends. We also remember those no longer with us and remain forever thankful for the good memories they gave us.

I'm also thankful for the strength and dedication of our Board of Directors, support leaders and staff.

Three Spring Knolls candidates reelected by acclamation to 2027 board of directors

Holli Hanson Candy Lee Sandy Vollmer

Spring Knolls directors Holli Hanson, Candy Lee and Sandy Vollmer have been reelected by acclamation to two-year terms.

Although there were four openings, the three incumbents were the only candidates for the 2027 board. Under rules adopted last year, when an equal number or fewer members apply for board openings, election by acclamation is required at the next board meeting and a community-wide election is not held. The acclamation option is now state law.

The approved candidates' new terms begin in January. At that time, Holli will begin her seventh year, Candy her eighth and Sandy her ninth.

This wonderful group cares deeply about Spring Knolls and devotes countless hours to managing a community of 384 properties, along with its clubhouse and grounds. It's no small task.

And helping us are many residents who keep us informed throughout the year about what's happening in our community. These residents may not run for the board, but thankfully still feel a duty to alert us to such things as mailbox tampering so we can send an email alert, or report water rising through a hole in the asphalt so we can notify EMWD about a broken pipe that may pose a danger to pedestrians and motorists.

They also share changes about meeting times, or let us know about solicitors, some of whom are targeting unsuspecting seniors to defraud or steal from them. Over the years, these residents have become a welcome network of information that has led to safeguards to their neighbors and to the entire Spring Knolls community. You are all invited to join them in these efforts.

The board relies on your eyes and ears to help us address issues we might not otherwise see. With only nine of us, we cannot be everywhere or see everything.

I'm also grateful for the staff members who keep our clubhouse pristine. Many residents and visitors from other units have told me how clean and organized it is, how much they enjoy coming here, and how they wish their own clubhouses were maintained as well as ours.

Hats off to our Facility Manager, Lisa McKinley, and her assistants, Suzie and Cindy.

Kim Eaton, is another staff member who's always ready to jump in and help. Hired as our bookkeeper, she's recently been named our Office Manager. We can't thank her enough for her dedication and willingness to go above and beyond.

To everyone who helps—whether at Booster Club events, around the office, in a neighbor's home, through Sharing Shelf donations or in the many other ways you support others —your board members offer their heartfelt thanks. As the saying goes, "It takes a village." I am thankful for everyone whose time, care and generosity make Spring Knolls such a strong community.

Spring Knolls Board report for Oct. 21, 2026

Spring Knolls Wildfire Fair, Nov. 14

Annual event focuses on safety, preparation

By Alan Hanson
SKERT chair

We're holding our third annual Wildfire Fair on Saturday, Nov. 14 between 10 a.m.-noon.

As you may be aware, Firewise requires a public event to maintain our designation each year as a Firewise community..

This year's Fair will include speakers James Gillespie, the City of Murrieta's new Fire Marshal, and Ryan Lubben of CalFire (CalFire is the entity that oversees Firewise).

We're planning a review of home hardening, receive a Zone 0 update (which will be officially adopted shortly), an evacuation drill, and a presentation from the County Emergency Manager. Food will be served, as well.

The new Zone O requirements affecting new and existing California structures are expected to go into effect soon, perhaps before the Wildfire Fair.

Zone 0 refers generally to a O-5 foot clearing of fire-dangerous material within five feet of your homes. Such materials include mulch, dried leaves, woody shrubs and bushes.

New at this year's fair are presentations by the Institute for Business & Home Safety and the Center for Land Management as well as the Riverside County Emergency Manager, who will lead an evacuation drill.

Also featured at the Wildfire Fair is a SKERT membership drive.

As part of these efforts, we ask that Spring Knolls residents let me know of any tree removal, trimming of shrubs, cleaning of rain gutters, etc. This all goes toward the hours of investment we have to do each year to maintain our Firewise designation. Even regular maintenance of your home counts!

– Alan Hanson is chair of the Spring Knolls Emergency Response Team. SKERT meets monthly at 5 p.m. on the second Wednesday.

Wildfire Fair at a Glance.

- **What:** Event in which safety officials update residents on how they can strengthen their homes against fires.
- **Who:** Open to all Knolls residents, Free
- **Where:** Eaker Hall, Spring Knolls Clubhouse.
- **When:** 10 a.m. to noon, Nov. 14.
- **Additional:** Food will be served.

Year end begins with Veterans cheers, breakfast

Dorothy Vaughn
Boosters VP

Invitations are out to our veterans in all three units for our Veterans Day Luncheon on Tuesday, Nov. 10.

We try not to miss a veteran, so if you're a veteran who hasn't received an invitation for yourself and a guest, please call **me** at **951 696-0871** or **Jan** at **951 616-4443**.

On Saturday, Dec. 12, the Boosters invite all Spring Knolls residents to a free holiday breakfast between 9 and 11 a.m. The menu: two kinds of scrambled eggs, sausages, biscuits and gravy, French toast casserole, a fruit cup, coffee and orange juice.

It's very important, that if you intend to come, please call and **RSVP** to either **Debby, 760-717-9876, Me** at **951 696-0871** or **Holli, 616-972-0799**. Your call is important so we know how much food to buy and so we don't run out.

Also, see the December edition for more information on the **Dec. 31 New Year's Eve dinner** and dance for all Knolls units. We'll have the menu, and advance ticket sales information in that edition and a flyer. We had a great turnout last year to welcome in 2026, and hope we can do even better for 2027.

2nd-hand sale lures bargain seekers to Eaker Hall event

With the help of hundreds of donated household items, the annual Boosters 2nd Hand Treasures, Bake and Plant sale in mid-October offered visitors a huge variety of bargains.

Whether buyers scooped up a rare collectible or two, homemade desserts, home-grown succulents, clothing, tools or outdoor items, there seemed to be something for everyone at the two-day event. In the end, the Boosters raised more than $2,000 for club events such as the upcoming Veterans luncheon on Nov. 10..

VOTING TIMES, PLACES: If you haven't yet voted by mail on local, state and federal candidates or issues, **Tuesday, Nov. 3** is your last chance. From **7 a.m. to 8 p.m.** in Murrieta you can either drop off your mail ballot, or vote at **Murrieta City Hall**, 1 Town Square; **Murrieta Fire Station #4**, 28155 Baxter Road; Murrieta **Regional Learning Center**, 41350 Guava St.; **Murrieta Valley Unified School District**, 41870 McAlby Court; **Riverside County Office of Education**, 24990 Los Brisas Road; or **Lisa J. Mails Elementary School**, 35185 Briggs Road.

SOCIAL SECURITY BUMP: The Social Security Administration announced Oct. 14 that recipient payments will rise by **3.6% in 2027**. A retired worker's average increase will go up by about $75 a month, from **$2,095 to $2,170**. This cost-of-living increase compares to the 2.8% bump in 2026. Couples' benefits will jump an average of $127 a month, **to $3,355**.

SCAM SOLICITORS?? Recently, we've alerted residents about two entities who have been coming to residents about either installing security devices (Safe Home Security, Inc.) or helping lower your energy bills (Spark Energy). In the latter case these solicitors have asked to see your utility bills and/or inspect your utility connections. Be very careful regarding anyone you don't know knocking on your door. The best move is to not answer the door when they come. If you do, tell them to leave and call the police at their non-emergency number, **951-696-3615**. When the automated call answers press **#5** for dispatch and report. If you have pictures, that's even better, so ask dispatch how you can send them.

MAIL THEFT ALERT: We've received reports that on their morning walks, residents have found mailboxes open and "junk" mail thrown on the ground nearby. One resident reported finding her own mail on the ground across the street by a neighbor's mailbox. One thing you might consider is a locking mail box to thwart thieves.

THEFTS, PART II: Lock your car and home doors at all times. A Spring Knolls resident recently reported that while she was walking her dog, someone entered her unlocked back door and stole money from her. It's important that even if you'll be gone for a short time, you never know who may be watching, and waiting for your departure so they can make a move.

AND, SINCE IT'S DARKER: Now that Daylight Savings Time is gone until March, it's darker now earlier, so if you're out walking at night, consider wearing light clothing and carry a flashlight. You also can pick up free reflector stickers at the board office on Friday to wear at night and/or to affix to your pet's collar or leash.

Halloween bash casts spell on Knolls

Dozens of costumed Knolls residents packed Eaker Hall on Halloween night for tasty soups, to dance, and to play guessing games at exactly who those masked people at their tables really were. From all three units, the crowd was the largest in years.
